Racial and ethnic groups are designated by proper nouns and are capitalized. Therefore, use " Black " and " White " instead of " black " and " white " (do not use colors to refer to other human groups; doing so is considered pejorative). Likewise, capitalize terms such as " Native American, " " Hispanic, " and so on.

## Download Ebook Style Guide Groups

As a technical editor, you'd be wise to create a style guide for your writing group. A style guide is a time-saving resource that documents the guidelines for punctuation, capitalization, spelling and usage. Just those four categories may seem overwhelming at first — so much to be covered! But remember that a style guide is a living document; it's constantly updated, never truly finished.

### ~~Creating a Style Guide for Technical Documents | Technical ...~~

A style guide is a central document that defines, exemplifies, and executes a brand ' s voice. Style guides define language preferences and tones as well as direct an organization ' s representatives to use the brand ' s style in specific ways, for specific outlets. The style guide may include details about:
