It teaches valuable lessons from entrepreneurs about their journey from start-up to success. We learn about their backgrounds and what shaped them, how they came up with their killer business ideas, as well as the challenges that confronted them along the way and while they have enjoyed the sweet taste of victory, all, without exception, have known times of bitter defeat. Sean is convinced that what can be learned from Ireland's microcosm of entrepreneurial endeavour can be applied anywhere in the world.

With clear steps, Scripture references, and encouraging examples, Dr. Haggai presents 13 profound principles based on God's Word that lead each reader to a radically different, eternal approach to true success and fulfillment: Beware the team of one. Believe you can because you know you can't. Enjoy failures—they're good for you. Keep it simple. Be famous for being good. This practical, biblical, and thoughtful guide will inspire readers at every stage of life and in all vocations and occupations to walk in God's will toward great things and godly legacies.
