Recollections Of

Sunderland was once one of Britain's industrial giants. Famous for its shipyards, mines and glass-making, it thrived at a time when its country needed it most. After the Second World War the town saw incredible change, as the heavy industry that seemed so permanent, faded and died. How do you cope with the loss of centuries of working tradition?

Giant: Recollections of Working Life, tells the stories of Sunderland's industrial workers from the time when its country needed it most, to the sad loss of centuries of working tradition. These are the people who saw their town change around them and become a city – people who saw the end of one era and the beginning of a challenging new one.
