Beat the Bad Guys. Take their powers. Save the world. When Mickey stepped into that bar, he never expected to find out he was the most powerful superhero the world had ever seen. But when footage of him beating up the strongest hero, and biggest bully, in the tristate area goes viral, suddenly the world can't get enough of him. Now villains are challenging him, the hero society is ringing his line off the hook, and the endorsements? Well, they're second only in size to his burgeoning fan club. And since none of their super powers work on him, he's never been closer to the top than ever before. There's just one problem. The world's greatest villain has returned from the dead, and he's set his sights on making Mickey his first victim. Please Note: This novel contains a harem. You have been warned.

Fans of the hit TV show Heroes will love Quantum Prophecy! Ten years ago, all the superhumans vanished. No one knows what happened to them--until now. Thirteen-year-olds Danny and Colin are shocked to discover that they are in fact the beginning of a renewed superhuman race. As they rise to take the place of the lost generation, the unimaginable truth behind the explosive final battle that occurred ten years ago between the superheroes and the supervillains is exposed. And when the past resurfaces, Danny and his fellow superheroes must face the new challenges that threaten their survival. On the run from everyone, and not knowing who is friend or foe, the one ability the new heroes are going to need most is the power to distinguish good from evil.

In a near-future world of genetically engineered super-humans inspired by classic comic book heroes, troubleshooter Emerald Blair helps to restore order to unstable space habitats in the Asteroid Belt only to find her loyalties tested by rival factions.

Recounts the history of the misunderstood villain called Brawn.

Four thousand years ago the world's first super human walked the earth. Possessing the strength of one hundred men, skin impervious to attack, and the ability to read minds, this immortal being used his power to conquer and enslave nations. Now plans are in motion that will transport this super human to the present, where he'll usher in a new age of tyranny unlike anything the world has ever seen. Determined to stand against them, using powers they've only just begun to master, is a ragtag group of young heroes. For them this first test may be their greatest . . . and last. Watch a Video

The Super Human Humans is a sci fi adventure novel that tells the tale of a superhero named Jason and his accomplices who fight for the freedom and protection of the Earth.

The fourth installment of the critically acclaimed Super Human series The defeat of the near-invincible villain Krodin has left a void in the superhuman hierarchy, a void that two opposing factors are trying to fill. The powerful telepath Max Dalton believes that the human race must be controlled and shepherded to a safe future, while his rival Casey Duval believes that strength can only be achieved through conflict. Caught in the middle is Lance McKendrick, a teenager with no special powers, only his wits and the tricks of a con artist. But Lance has a mission of his own: Krodin's ally, the violent and unpredictable supervillain Slaughter, murdered Lance's family, and he intends to make her pay. For fans of Steelheart and The Avengers, Hunter is an action-packed superhero story that is hard to put down. Praise for HUNTER "No one writes superheroes as good as Michael Carroll. With Hunter, Michael takes his flawed, all-too-human superheroes to the next level. One of my favorite series."-Michael Scott, author of The Secrets of the Immortal Nicholas Flamel series "[HUNTER] is fast paced, exciting, and extremely difficult to put down . . . its unexpected, jaw-dropping ending guarantees anticipation for the next entry."-VOYA "A flurry of odd jobs (including time in a carnival), a brief romantic fling, and an intriguing epilogue make this appealing to all sorts of readers, and as always, Carroll delivers a super story."-Booklist

Sixteen-year-old Lillim Callina is good at two things: running away and magic. Now, Lillim's half-demon ex-boyfriend is contacting her for help, she has somehow gotten herself mixed up in a kidnapping, and her long-dead rival has risen from the grave. So when a dragon plotting to take over the world offers her a choice- work for him or else- Lillim Callina is going to choose else.

Superhuman threats require a superhuman response. Enter Vanguard, a government-sanctioned team of superheroes designed to deal with rogue elements possessing incredible abilities! This team of powerful beings with even more powerful personalities must overcome their differences while dealing with one life-threatening crisis after another! But a mysterious warlord and his terrorist network waits in the shadows, planning to use superhumans for their own evil purposes!
