First, find a trading edge. Second, survive long enough for your trading edge to prove itself. The second goal, the goal of survival, is known as risk management. As a trader, you need a trading edge. But you also need to survive through drawdowns to see your profits. Hence, both goals are equally important.

Traders' Survival Guide: A Primer ... - Trading Setups Review

Survival Guide For Traders Review The Survival Guide for Traders always seems to be the one I go back to the most. It offers more solid trading advice than all the others in a format that is readable and useful. If you are going to trade as more than a hobby, you need to set up a business plan and approach it as the business that it is.
