Sebastian Boa defies all the rules. There isn't a woman who doesn't want the notoriety of being in his bed. When he crosses paths with Mariss Red at one of his clubs, his interest is quickly piqued, and he sets out to make a play for the confident beauty. But Mariss is married, and she has no desire to lose what she loves for a one night stand with the indulgent playboy. When an attempt is made on Mariss' life, Sebastian rushes to her side. Those closest to him know that it's only a matter of time before his new infatuation causes him to crash and burn. For a man who lives on the edge, the Rules of the chase become clear at the start. If he wants to win Mariss, he will have to play on her turf. Boundaries and all. The harder Sebastian tries, the more Mariss refuses, and the harder it gets to keep his control. The Man Without Rules finds himself changing to be worthy of the one woman who has ever told him no.

Since its first flight on 15 December 2009, the Boeing 787 'Dreamliner' has been the most sophisticated airliner in the world. It uses many advanced new technologies to offer unprecedented levels of performance with minimal impact on the environment. Flying the Boeing 787 gives a pilot's eye view of what it is like to fly this remarkable machine. It takes the reader on a trip from Tokyo to Los Angeles as the flight crew see it, from pre-flight planning, through all the phases of the flight to shut-down at the parking stand many thousands of miles from the departure point. Lavishly illustrated with specially taken photographs of the B787's controls and instruments, this book will be of interest not just to commercial pilots, but to all aviation enthusiasts: it gives an insight into a world normally hidden for the flying public, at the technical and operational cutting edge of commercial flying. Gives a pilot's eye view of flying this remarkable machine - the Boeing 787 'Dreamliner'.
