NOW UPDATED WITH THE ' INS AND OUTS ' OF MAKING ZACK AND MIRI MAKE A PORNO, AND MUCH, MUCH MORE!
Anything but boring, Kevin Smith shares his x-rated thoughts in his diary, telling all in his usual candid, heartfelt and irreverent way! Kevin Smith pulls no punches in this hard-hitting, in-your-face expos é of, er, his rather dull and uneventful life... well, not always dull. In between watching his TiVo, he manages to make and release Clerks II, relate the story of his partner-in-crime Jason Mewes ' heroin addiction... and get caught stealing donuts from Burt Reynolds. Thrown in are his views on the perils of strip clubs, the drawback of threesomes, the pain of anal fissures, his love-affair with Star Wars and so much more!
Adults Only!

That Kevin Smith? The guy who did " Clerks " a million years ago? Didn ' t they bounce his fat ass off a plane once? What could you possibly learn from the director of " Cop Out " ? How about this: he changed filmmaking forever when he was twenty-three, and since then, he ' s done whatever the hell he wants. He makes movies, writes comics, owns a store, and now he ' s built a podcasting empire with his friends and family, including a wife who ' s way out of his league. So here ' s some tough shit: Kevin Smith has cracked the code. Or, he ' s just cracked. Tough Sh*t is the dirty business that Kevin has been digesting for 41 years and now, he ' s ready to put it in your hands. Smear this shit all over yourself, because this is your blueprint (or brownprint) for success. Kev takes you through some big moments in his life to help you live your days in as Gretzky a fashion as you can: going where the puck is gonna be. Read all about how a zero like Smith managed to make ten movies with no discernible talent, and how when he had everything he thought he ' d ever want, he decided to blow up his own career. Along the way, Kev shares stories about folks who inspired him (like George Carlin), folks who befuddled him (like Bruce Willis), and folks who let him jerk off onto their legs (like his beloved wife, Jen). So make this your daily reader. Hell, read it on the toilet if you want. Just make sure you grab the bowl and push, because you ' re about to take one Tough Sh*t.

Writer/director Kevin Smith (CLERKS, CHASING AMY, DOGMA) delivers the awe-inspiring tale that resurrected Oliver Queen, DC ComicsÕ original Green Arrow! Stunningly rendered by artists Phil Hester and Andre Parks, GREEN ARROW BY KEVIN SMITH follows the Emerald Archer through manÕs most uncharted realms - life, death, and back to life again. This edition collects GREEN ARROW #1-15 of SmithÕs best-selling GREEN ARROW run and features sketches by Phil Hester and introduction by Kevin Smith.

This study of Kevin Smith ' s debut film breaks new ground by exploring how Clerks sits at the intersection of political and cultural trends relevant to alternative youth cultures in the early 1990s. Clerks (1994) was born of and appeals to a specific

youth subculture, with the multimedia ' View Askewniverse ' developing out of the film ' s initial release. Drawing on existing texts and movements such as Richard Linklater ' s Slacker (1991), Douglas Coupland ' s novel Generation X: Tales for an Accelerated Culture and alternative rock subcultures that had developed during and since the 1980s, the film presents a comedic take on working as a young person in 1990s America in a manner that was praised for its authenticity. Filmed on a miniscule budget, the roughness of the film ' s aesthetic, combined with a hard rock soundtrack comprised of mostly independent bands, convinced many that it could speak for young Americans, much more than polished, corporate Hollywood productions. The book situates the film within this wider cultural movement and cultural zeitgeist and explores the role of working-class youth and employment in the years following Reaganomics and its consequences, as well as providing insight into the film ' s presentation of consumption and of its representation of masculinity and sexuality. Clear, concise and comprehensive, the book is ideal for students, scholars and those with an interest in youth cinema, American independent film, Cult Film, Subcultures and Counterculture, as well as both Film and American Studies more broadly.
