It is the tournament that separates champions from mortals. It is the starting point for the careers of future legends and can be the final stop on the down escalator for fading stars. The annual PGA Tour Qualifying Tournament is one of the most grueling competitions in any sport. Every fall, veterans and talented hopefuls sweat through six rounds of hell at Q school, as the tournament is universally known, to get a shot at the PGA Tour, vying for the 30 slots available. The grim reality: If you don't make it through Q school, you're not on the PGA tour. You're out. And those who make it to the sixday finals are the lucky ones: hundreds more players fail to get through the equally grueling first two stages of the event. John Feinstein tells the story of the players who compete for these coveted positions in the 2005 Q school as only he can. With arresting accounts from the players, established winners, rising stars, the defeated, and the endlessly hopeful, America's favorite sportswriter unearths the inside story behind the PGA Tour's brutal all-or-nothing competition.

After winning 6 of the 12 Majors from 2000 to 2002, Tiger Woods struggled in 2003. Four unknown golf players -- Mike Weir, Jim Furyk, Ben Curtis, and Shaun Micheel -- would seize the day, rising to become champions in his wake. Mike Weir -- considered a good golfer but not a great one -- triumphed in The Masters, becoming the first Canadian to win a Major. Jim Furyk emerged victorious in the U.S. Open. In the British Open, Ben Curtis became the only player since Francis Ouimet in 1913 to prevail on his first time out, and Shaun Micheel came from nowhere to prevail at the PGA Championship. How does one moment of glory affect the unsung underdog for years to follow? In *Moment of Glory*, John Feinstein returns to the unlikely year of 2003 and chronicles the personal and professional struggles of these four players. With great affection for the underdog and extraordinary access to the players, he then looked to the 2008 season, giving readers an insider's look into how winning (and losing) major championships changes players' lives.

Traces the author's year-long attempt to earn a competitor's spot at the PGA Tour Qualifying School, an endeavor marked by such challenges as crash diets, sports psychiatrists, and obscure tournaments. 30,000 first printing.

America's sportswriter, John Feinstein, goes behind the scenes of golf's most famed event, the U.S. Open. June 2002 was the first time the Open was held at a public course. Golf's biggest names tell why it meant so much to so many.

Tales from Swankville is a collection of humorous and poignant essays inspired by the authors own experiences as mothers in suburbia where parents are blurring the lines between encouragement and competitiveness, assertiveness and aggression, common sense and a sense of entitlement. From the classroom to the soccer field; the dance studio to the beautifully tree-lined street, no arena is left unscathed by parents behaving badly. Life in Swankville is a fairy-tale . . . gone a bit askew!

From the #1 New York Times bestselling author of *A Good Walk Spoiled*, a dramatic chronicle of the bitterly-fought 2016 Ryder Cup pitting a U.S. team out for revenge against the Europeans determined to keep the Cup out of American hands. Coming into 2016, the Americans had lost an astounding six out of the last seven Ryder Cup matches, and tensions were running high for the showdown that took place in October, 2016 in Hazeltine, Minnesota, just days after American legend Arnold Palmer had died. What resulted was one of the most raucous and heated three days in the Cup's long history. Award-winning author John Feinstein takes readers behind the scenes, providing an inside view of the dramatic stories as they unfolded: veteran Phil Mickelson's two-year roller-coaster as he upended the American preparation process and helped assemble a superb team; superstar Rory McIlroy becoming the clear-cut emotional leader of the European team, and his reasons for wanting to beat the US team so badly this time around; the raucous matches between McIlroy and American Patrick Reed - resulting in both incredible golf, and several moments that threatened to come to blows; the return of Tiger Woods not as

a player but an assistant captain, and his obsession with helping the US win - which was never the case when he was playing. John Feinstein's classic bestseller, *A Good Walk Spoiled*, set the bar for golf books. Now Feinstein provides his unique take on the Ryder Cup, which has clearly become golf's most intense and emotional event...it's 'first Major.'

A collection of over thirty essays in which gays, lesbians and bisexuals look back at their schooldays - some with humour and some with pain.

Would you send a villain to do a hero's job? *Flunked* is an exciting new twisted fairy tale from the award-winning author of the *Secrets of My Hollywood Life* series. "Charming fairy-tale fun." -Sarah Mlynowski, author of the New York Times bestselling *Whatever After* series. Gilly wouldn't call herself wicked, exactly...but when you have five little brothers and sisters and live in a run-down boot, you have to get creative to make ends meet. Gilly's a pretty good thief (if she does say so herself). Until she gets caught. Gilly's sentenced to three months at Fairy Tale Reform School where all of the teachers are former (super-scary) villains like the Big Bad Wolf, the Evil Queen, and Cinderella's Wicked Stepmother. Harsh. But when she meets fellow students Jax and Kayla, she learns there's more to this school than its heroic mission. There's a battle brewing and Gilly has to wonder: can a villain really change? "Fairy Tale Reform School is spellbinding and wickedly clever. Gilly is smart, spunky, and a hilarious narrator, and I cannot wait to read about her next adventure!" -Leslie Margolis, author of the *Annabelle Unleashed* novels and the *Maggie Brooklyn* mysteries "Fairy Tale Reform School is a fresh and funny take on the enchanted world. (And who hasn't always wanted to know what happened to Cinderella's stepmother?)" -Julia DeVillers, author of the *Trading Faces* identical twin series and *Emma Emmets, Playground Matchmaker*

Living with his little brother, Fudge, makes Peter feel like a fourth grade nothing. Fudge is never far from trouble. He's a two-year-old terror who gets away with everything--and Peter's had enough. When Fudge walks off with Dribble, Peter's pet turtle, it's the last straw.

Describes the author's improbable journey as an Aspen club caddie and his relationships with misfit fellow caddies, an experience that compelled his visits to some of the world's most exclusive and picturesque golf locations.
