The Empty Pot is Demi's beloved picture book about an honest schoolboy A long time ago in China there was a boy named Ping who loved flowers. Anything he planted burst into bloom. The Emperor loved flowers too. When it was time to choose an heir, he gave a flower seed to each child in the kingdom. "Whoever can show me their best in a year's time," he proclaimed, "shall succeed me to the throne!" Ping plants his seed and tends it every day. But month after month passes, and nothing grows. When spring comes, Ping must go to the Emperor with nothing but an empty pot. Demi's exquisite art and beautifully simple text show how Ping's embarrassing failure is turned triumphant in this satisfying tale of honesty rewarded. An IRA-CBC Children's Choice. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say could upend her community. It could also endanger her life. Want more of Garden Heights? Catch Maverick and Seven's story in Concrete Rose, Angie Thomas's powerful prequel to The Hate U Give.

In the summer of 1869, Scottish-American naturalist and author John Muir spent the months of June through September in the Sierra Nevada Mountains of California accompanying a group of shepherds while they led a flock of sheep to the high country to graze. During that time, Muir took every opportunity to explore the Yosemite area extensively—hiking, camping, writing, and sketching. Muir's diary entries describing the land, flora, and fauna he encountered became the basis for the book *My First Summer in the Sierra*, first published in 1911. Muir's journal entries from that summer reveal his growing wonder and awe at the Yosemite landscape, as well as his endless curiosity for the natural world. On a grand scale, he trekked into remote areas for sometimes days at a time. He climbed Cathedral Peak and Mount Dana and trekked through Bloody Canyon to Mono Lake. On a more modest scale, Muir observed the flora and fauna that surrounded him with the keen enthusiasm of a naturalist. He described in detail the area's trees, shrubs, flowers, mountain meadows, glacial features, and animals. In the years that followed the publication of *My First Summer in the Sierra*, Muir went on to advocate for the protection and preservation of wild landscapes. In 1892, Muir co-founded the Sierra Club and became the organization's first president. Muir also played an instrumental role in the establishment of several national parks including Yosemite, Sequoia, and Kings Canyon. *My First Summer in the Sierra* remains among John Muir's most popular works. The book's inspired and lyrical accounts of an iconic wilderness, written at a time in Muir's life when his character as a naturalist and wilderness advocate was taking form, earns it a prominent, influential place in the annals of nature writing and the history of wilderness preservation. This book is part of the Standard Ebooks project, which produces free public domain ebooks.
