Their lesson plans didn't include love. But that's about to change... When Martin Krause arrives at Rose Owens's high school, she's determined to remain chilly with her new colleague. Unfriendly? Maybe. Understandable? Yes, since a loathsome administrator gave Rose's beloved world history classes to Martin, knowing it would hurt her. But keeping her distance from a man as warm and kind as Martin will prove challenging, even for a stubborn, guarded ice queen. Especially when she begins to see him for what he truly is: a man who's never been taught his own value. Martin could use a good teacher—and luckily, Rose is the best. Rose has her own lessons—about trust, about vulnerability,

about her past—to learn. And over the course of a single school year, the two of them will find out just how hot it can get when an ice queen melts.

Why cant U teach me 2 read? is a vivid, stirring, passionately told story of three students who fought for the right to learn to read, and won—only to discover that their efforts to learn to read had hardly begun. A person who cannot read cannot confidently ride a city bus, shop, take medicine, or hold a job—much less receive e-mail, follow headlines, send text messages, or write a letter to a relative. And yet the best minds of American education cannot agree on the right way for reading to be taught. In fact, they can hardly settle on a common vocabulary to use in talking about reading. As a result, for a quarter of a century American schools have been riven by what educators call the reading wars, and our young people have been caught in the crossfire. Why cant U teach me 2 read? focuses on three such students. Yamilka, Alejandro, and Antonio all have learning disabilities and all legally challenged the New York City schools for failing to teach them to read by the time they got to high school. When the school system's own hearing officers ruled in the students' favor, the city was compelled to pay for the three students, now young adults, to receive intensive private tutoring. Fertig tells the inspiring, heartbreaking stories of

these three young people as they struggle to learn to read before it is too late. At the same time, she tells a story of great change in schools nationwide—where the crush of standardized tests and the presence of technocrats like New York's mayor, Michael Bloomberg, and his schools chancellor, Joel Klein, have energized teachers and parents to question the meaning of education as never before. And she dramatizes the process of learning to read, showing how the act of reading is nothing short of miraculous. Along the way, Fertig makes clear that the simple question facing students and teachers alike—How should young people learn to read?—opens onto the broader questions of what schools are really for and why so many of America's schools are faltering. Why can't U teach me 2 read? is a poignant, vital book for the reader in all of us.

The Power to Save a Life Jacob Chastain grew up in an environment filled with drugs and violence. Inside the home that should have felt safe, fear and anxiety were the desperate norm. Stability and security eluded him as he was shuffled between family and friends that would take him in. But at school, things were different. There, day after day, year after year, Chastain's teachers saved him. Teach Me, Teacher is the true story of a childhood marked by heartache—a story that may be similar to that of the children sitting in your

classroom. It's the story that shaped Jacob Chastain into the educator he is today. Lessons learned from his experiences as a child and as a growing educator offer reflections on the trials and triumphs facing teachers and students everywhere. From these lessons, we learn that one's darkest moments can ultimately lead to a meaningful and fulfilling life when someone cares enough to step in and make a difference. Written in celebration of teachers and the power of education, *Teach Me, Teacher* affirms that you have the power to save a life. "Jacob Chastain pours his heart out on the pages of *Teach Me, Teacher* by sharing his personal journey through childhood trauma. His message that "action is the antidote to suffering" is a powerful reminder to us all to do more, be more, understand more, and care more for our students." --Kim Bearden, co-founder and executive director, The Ron Clark Academy, author of *Talk to Me* "*Teach Me, Teacher* is one of the most courageous, heartbreaking, hopeful books I've ever read." --Regie Routman, author of *Literacy Essentials* "Jacob Chastain's raw honesty is something that we need more of in the education world." --Halee Sikorski, *A Latte Learning* "*Teach Me, Teacher* is both an uplifting memoir and a message to all of us in education of the power we have to build relationships and make a difference for all of our students." --Dr. Sue Szachowicz, senior fellow, Successful Practices Network "Jacob Chastain takes us on

Sums up the victory of the cross in four words and explores what that means for us. Freedom, forgiveness, justice, and purpose. We long for them in our lives and in the world. The cross delivers them! Yet sometimes we are so familiar with the cross that it loses its impact on us. We forget that Jesus' death on the cross and his resurrection are the most important events in human history and our lives. The cross is the fulfillment of God's salvation plan, promised from the dawn of time. It is central to the Bible, central to our faith, and central to the meaning and purpose of our lives. This foundational book looks at passages from both the Old and New Testaments to sum up the victory of the cross in four words: freedom, forgiveness, justice, and purpose, and what that means for us personally. Marvel at the cross afresh and be moved to love and serve the Lord Jesus with renewed zeal and joy. This short yet profound book is a very useful discipleship tool. It can be read individually, in pairs, or in small groups.

Meet the Manning brothers in this steamy small town cowboy series from USA Today Bestselling author Vanessa Vale! A bachelor auction. I was in a f-ing bachelor auction. I wasn't a cow.
