Teacher training includes a student teaching internship as part of college coursework. The number of weeks for this training depends on school and state requirements. Student teaching follows the gradual release of responsibility ("You do, we do, I do") model with a trained mentor teacher supervisor. This internship allows the student ...

Importance of Effective Teacher Training

Great teachers hold our attention, make us laugh, help us to fully understand complex subject matter and, most of all, inspire us. Achieving this kind of engagement from your students takes practice and experience. But even if you're new to teaching, you can make your workshops or training as interesting as possible with just a few fresh ideas.
