### *Welcome to dance&education*

Dance is a creative way for your students to retell what they read in a story. Retelling the main points of a story helps improve comprehension of the material the students read. When the kids understand the story, they are better able to reread it fluently. Instead of just saying what happened in the story, let the kids act it out in dance form.

### *Children's Dance Games for Teachers | The Classroom*

One Dance UK advocates for the value and place of dance in schools due to its unique position as a curriculum activity that combines creativity with physicality. We aim to support dance teachers in schools to deliver high-quality education through keeping members up to date with education news, policies, research and the latest teaching pedagogy. We see ourselves in a unique position between linking teachers and dance companies to enable a thriving dance education across the nation.

This presentation is a basic introduction for students studying the BTEC Performing Arts course. They will gain a bit of information based on Martha Graham, Merce Cunningham, Jose Limon and Isadora Duncan.

### *Contemporary Dance - Education Jobs, Teaching Resources ...*

Education is vital to the pace of the social, political and economic development of any nation, so effective teaching is very essential. Effective teaching is important because teaching is based on helping children progress from one level to another in a more sociable interactive environment and to get the approach right to get students to be independent learners (Muijus and Reynolds, 2005).
