To get back up sometimes you have to fall down, hard . . . What's the point of pretending nothing has changed when everything has? It's the last summer before college, and Jonas Avery knows he should be excited. Instead, he hides out at home, avoiding his friends, his family, and everything that resembles his old life. Because nothing will be normal again—because of The Accident, when everything started falling apart. Brennan Davis knows she needs to stand up and face her anxiety—the deep, dark, debilitating dread that rules her everyday life. Because what stops her from going out into the world and just living is going to get a whole lot worse. She's leaving for college in the fall, where she'll be confronted with even more to worry about. When Jonas crashes into Brennan—in a harmless, albeit embarrassing fender bender—the two teens connect in ways they never expected. As friends, they help each other overcome their biggest falls and faults, and soon discover that while love can't fix everything, it's sometimes a place to start. Sensitive, wry, and unabashedly authentic, *The Opposite of Falling Apart* isn't about finding perfection in another person or fixing the things we think are broken. Instead, Micah Good has penned an enchantingly honest novel about accepting the very pieces of ourselves that make us unique, whole, and undeniably human.

Celebrities and real teens share their stories of love, and show how the power of love can overcome any obstacle and heal even the most wounded of souls. Original.

Love is often a mystery to teenagers – sometimes painful, other times glorious, always challenging. This book will help them understand and sort out their myriad feelings and experiences. Rather than merely offering one adult's opinions or reflections on love, Kirberger deftly combines material from teens dealing with firsthand adolescent love with that from adults sensitive to the special needs of teens. She includes original letters she has received from teens, along with her responses to their questions, concerns and confusion. This blend provides a wide-ranging perspective on love and relationships. It will enable teens to gain wisdom and choose more wisely when making decisions in love and relationships. This book is designed to guide teens through the maze of love and relationships in a gentle, understanding and compassionate way. It isn't a dos-and-don'ts manual, but rather a how-it-is-in-love guidebook. Teens will come to treasure it as a wise and loving counselor and companion. On the roller-coaster ride of teen love, this is one book no teen can afford to be without. Check out the companion book, , co-authored with Colin Mortensen of MTV's *Real World/Hawaii*.

"Will leave readers swooning." –PopSugar ?When Dimple Met Rishi meets Ugly Delicious in this funny, smart romantic comedy, in which two Vietnamese American teens fall in love and must navigate their newfound relationship amid their families' age-old feud about their competing, neighboring restaurants. If Bao Nguyen had to describe himself, he'd say he was a rock. Steady and strong, but not particularly interesting. His grades are average, his social status unremarkable. He works at his parents' pho restaurant, and even there, he is his parents' fifth favorite employee. Not ideal. If Linh Mai had to describe herself, she'd say she was a firecracker. Stable when unlit, but full of potential for joy and fire. She loves art and dreams pursuing a career in it. The only problem? Her parents rely on her in ways they're not willing to admit, including working practically full-time at her family's pho restaurant. For years, the Mais and the Nguyens have been at odds, having owned competing, neighboring pho restaurants. Bao and Linh, who've avoided each other for most of their lives, both suspect that the feud stems from feelings much deeper than friendly competition. But then a chance encounter brings Linh and Bao in the same vicinity despite their best efforts and sparks fly, leading them both to wonder what took so long for them to connect. But then, of course, they immediately remember. Can Linh and Bao find love in the midst of feuding families and complicated histories?

Evie Thomas doesn't believe in love anymore. Especially after the strangest thing occurs one otherwise ordinary afternoon: She witnesses a couple kiss and is overcome with a vision of how their romance began . . . and how it will end. After all, even the greatest love stories end with a broken heart, eventually. As Evie tries to understand why this is happening, she finds herself at La Brea Dance Studio, learning to waltz, fox-trot, and tango with a boy named X. X is everything that Evie is not: adventurous, passionate, daring. His philosophy is to say yes to everything—including entering a ballroom dance competition with a girl he's only just met. Falling for X is definitely not what Evie had in mind. If her visions of heartbreak have taught her anything, it's that no one escapes love unscathed. But as she and X dance around and toward each other, Evie is forced to question all she thought she knew about life and love. In the end, is love worth the risk?
