Dragon Writer - Once Upon a Picture

Tell me a Dragon. Author: Jackie Morris. Publisher: Frances Lincoln. Here are dragons that can curl around an ear, sing and laugh. Some are as big as a village or as long as a river. Sinuous dragons of every hue live in the city, the countryside or under the sea, delighting in water, fire or ice. Jackie Morris's lyrical descriptions imagine each child's relationship with their own dragon, and the reader is invited to imagine their dragon, too, at the end of the book.

Billy Bixbee's mother won't admit that dragons exist until it is nearly too late.

This enhanced eBook features read-along narration. On a beautiful day at the beach, a young boy brings his bucket, shovel, and imagination, and builds a perfect sand castle. Right away, a dragon moves in. The boy decides to befriend his dragon and they spend time roaming the shore, flying a kite, braving the waves, defying bullies, and roasting marshmallows—all while Dad is busy sunbathing and Mom is engrossed in her book. Unfortunately, no one believes the boy when he tries to share the news of this magnificent creature. That's when the mischief begins, and the dragon becomes a force to be reckoned with. While adults will recognize the naughty antics as a ploy for attention, children will dissolve into giggles as the dragon devours every last sandwich, blows bubbles in the lemonade, and leaves claw prints in the brownies. Maybe the dragon really is running amok on the beach, or maybe it's a little boy's imagination that is running wild.

if i had a dragon, playtime would be great... wouldn't it?

Four tales of fantasy from a twentieth-century literary master—selected as the 1975 New York Times Outstanding Book for Children John Gardner's first children's book takes the traditional fairy tale and turns it on its head. In the title story, a meddlesome dragon meets his match. "The Tailor and the Giant" tells the story of a cowardly man who finally faces his fears. A villainous beast of burden attempts to rid himself of his master in "The Miller's Mule." And in "The Last Piece of Light," a brave young chimney-sweep saves the world from darkness. Filled with irreverent twists on the classic elements of princes and princesses, witches and wizards, and the magical realms that they inhabit, Dragon, Dragon is a collection of fun and fantastic tales to be cherished by readers of all ages.

"Duncan the Dragon loves to read--but he keeps accidentally lighting his book on fire. He wants to get to the end of his story, so he tries to find a friend to read to him"--

A Newbery Honor Winner A New York Times Bestseller This stunning fantasy inspired by Chinese folklore is a companion novel to *Starry River of the Sky* and the New York Times bestselling and National Book Award finalist *When the Sea Turned to Silver* In the valley of Fruitless mountain, a young girl named Minli lives in a ramshackle hut with her parents. In the evenings, her father regales her with old folktales of the Jade Dragon and the Old Man on the Moon, who knows the answers to all of life's questions. Inspired by these stories, Minli sets off on an extraordinary journey to find the Old Man on the Moon to ask him how she can change her family's fortune. She encounters an assorted cast of characters and magical creatures along the way, including a dragon who accompanies her on her quest for the ultimate

answer. Grace Lin, author of the beloved Year of the Dog and Year of the Rat returns with a wondrous story of adventure, faith, and friendship. A fantasy crossed with Chinese folklore, Where the Mountain Meets the Moon is a timeless story reminiscent of The Wizard of Oz and Kelly Barnhill's The Girl Who Drank the Moon. Her beautiful illustrations, printed in full-color, accompany the text throughout. Once again, she has created a charming, engaging book for young readers.

This is a new, compact A5 edition of Jackie Morris's collection of short stories, The Quiet Music of Gently Falling Snow. A collection of twelve illustrated folk tales, or lullabies for grown-ups, set in a distant world of music, snow and magic. The stories are based around a series of musically-themed illustrations first created by Jackie for Help Musicians UK.
