Paper/Cardboard

Download Free Template For

Paper Castle Supplies You
can make this
castle from paper
or cardboard. I
used cardstock,
which is a thick,
stiff paper.

Cardstock is a
great option
because it's
flexible enough to
go through a
printer, meaning
you can print the

Download Free Template For

template directly
on it, and it's thin
enough that you
can cut it with
normal scissors.
