The chapters tacked on the end "The Numbers of Manliness," feel like something Maddox wrote in about 15 minutes. The artwork at the end of the book is okay, nothing revelatory. About the only thing I really enjoyed from this revised version was his tale of flunking a writing class in college and how he went on to become a best-selling author on Amazon.com.

"The Alphabet of Manliness" is a love letter to masculinity. And Maddox's brand of satire just isn't nearly as funny when he is writing about something he adores. He still gets hot under the collar here and there, like "Y is for Yelling" and "Z is for Zombies." (the latter seems to be a bitter reflection on the archetypes of the workplace).

This book is what it says it is from A is for Ass Kicking to Z is for Zombie, this book is the alphabet of manliness. All the violence and self aggrandizing misogyny is appropriately tongue in cheek, and sufficiently well executed.

Sometimes in life you say certain words in conjunction with other words that you normally wouldn't, such as the word "holy" and the word "shit." Those times are rare and celebrated. Well, get your face hole ready, because this is one of those times: introducing The Alphabet of Manliness: Special Edition! If it's a crime to be awesome, then I deserve three life sentences and the death penalty. This literary kick to the dick may very well be the greatest compilation of all things manly throughout history. The new edition includes: • "The Numbers of Manliness." • A full-color insert • Corrections to typos! I, Maddox, the author, personally guarantee that this is the best edition of the book since the last one. This book is only for the saltiest, hairiest, most rugged sons of bitches out there. However, it would be selfish to keep it for myself, so feel free to pick up a copy. This humble tome of wisdom is a tribute to all men who toil away at work every day, getting their balls busted or busting balls alike. If you can't handle the punch to the colon I'm about to deliver to you, look on the bright side: you'll save a fortune on Halloween when kids come to your door to pick apart your candy ass. On the other hand, if you feel comfortable with the risk of having your ass neatly packaged and handed to you with all the trimmings, cut the foreplay and crack the book open already.

The author provides tongue-in-cheek advice on what he considers to be manliness, such as beating up on other men, groping women, disciplining children more violently, and becoming a more efficient communicator of road rage.

Through a process of exhaustive man research he calls "keeping his eyes open," Dick Masterson has compiled a Magnum-size list of the ways men are better than women. It is an infallible compendium of man's greatness, filled with the most egregiously fallacious arguments ever put to words, but with some kind of miraculous, rock-solid man logic dripping like motor oil from every sentence. It is a manifesto more memorable than bullshit like High Fidelity or which Axe baby powder Maxim thinks you should slap on your nuts before clubbing, more chock-full of devastating man quotes than Oscar Wilde with two wangs. Most important, it is the only one of its kind. In *Men Are Better Than Women*, Dick Masterson dispenses logic from his man mouth into the eyes of his male readers like some kind of mighty mother man eagle with nutrient-rich word vomit. It's a book that makes you feel like driving a train into a dynamite factory and then tearing a telephone book apart with your bare hands, just because that's the way men have always done it. Masterson's chapters are simple and self-contained, demand no commitments from readers, and have an immediate payoff. *Men Are Better Than Women* is a dangerous work of satire -- not dangerous in a revolutionary sense, but dangerous in that it walks the razor-thin line between cruelty and absurdity. That line is called hilarious.

A collection of satirical, crass, comedic essays from famed Internet personality and New York Times bestselling author Maddox, of the infamous website *The Best Page in the Universe*. In this third book from Maddox, the reigning king of Internet satire delivers a

Get Free The Alphabet Of Manliness Revised And Updated English Edition

collection of humorous, unapologetic essays in the same voice that propelled him into comedic stardom. With all-new material, F*ck Whales delivers on his personal brand of satire, complete with self-promotion, petty rants, and brilliant essays on anything and everything Maddox deems worthy of his ire.

The essayist for TheBestPageInTheUniverse.com presents an irreverent critique of children's artwork that includes a deconstruction of a crayon-drawn family portrait and a scathing analysis of an insecure camper's letter home.

"Read it with someone you hate." —Jon Stewart A hilarious look at the races of the world—capturing the proud history and bright future of racism in one handy, authoritative, and deeply offensive volume. Whether you're laughing, cringing, or some combination of the two, A Practical Guide to Racism is sure to entertain. According to C. H. Dalton, a professor of racist studies and an expert on inferior people of all ethnicities, genders, religions, and sexual preferences, everyone should be hated. A Practical Guide to Racism takes a satirical look at long-standing stereotypes and draws them out to their mad and illogical conclusions. At its core, this deeply sarcastic body of evidence suggests that, by the standards of racism, every race is terrible in its own right. A Practical Guide to Racism contains sparkling bits of wisdom on such subjects as: · The good life enjoyed by blacks, who shuffle through life unhindered by the white man's burdens, to become accomplished athletes, rhyme smiths, and dominoes champions · A

Get Free The Alphabet Of Manliness Revised And Updated English Edition

close look at the bizarre, sweet-smelling race known as women, who are not very good at anything - especially ruling the free world · The sad story of the industrious, intelligent Jews, whose entire reputation is sullied by their taste for the blood of Christian babies · A crucial manual to Arabs, a people so sensitive they are liable to blow up at any time. Literally.

Rap songs are famous for their double entendres, clever turns of phrase, and general ingenuity, but that doesn't mean things always make sense the first time around. Enter Understand Rap, a very funny pop-cultural reference book based on the website of the same name, which precisely explains the confusing lyrics and terms used in rap songs using language that even the most un-hip person can understand. The juxtaposition of a dry, academic tone with hip-hop terminology results in a book that's as entertaining as it is informative.

Dear Stupid Idiots, A lot of you have been saying that I don't know anything about REAL ninjas. But that's a bunch of bull crap! You dummies don't know anything. And maybe YOU should get a life. I bet a lot of you have never even seen a girl naked! You idiots believe that ninjas had some "code of honor." Yeah right! If by "code of honor," you mean "code to flip out and go nuts for absolutely no reason at all even if it means that people might think you are totally insane or sweet," then you are right. But if you mean a "code to be nice and speak nicely while sharing and not cutting off heads," then you're the biggest idiot ever!!!!!! So if you have any brains, you will shut up

Get Free The Alphabet Of Manliness Revised And Updated English Edition

and get a life. So go shut up, you stupid idiot. No thank you, Robert Hamburger

For every parent who's ever received a letter from a homesick child or anybody who's ever written their parents with crazy requests from their bunk, *P.S. I Hate It Here: Kids' Letters From Camp* will delight with hilarious and heartwarming real-life letters. In the bestselling tradition of nostalgic looks at classic rites of passage, such as *Camp Camp* and *Bar Mitzvah Disco*, *P.S. I Hate It Here: Kids' Letters from Camp* captures a childhood experience shared by millions. This collection of real letters written by children ages eight to sixteen to their parents about their adventures at summer camp are laugh-out-loud funny and will have readers reminiscing about their own camp days. More than 150 letters cover all the imaginable scenarios of sleep away camp, from acing the cabin lice inspection, to rowing in the "ricotta" race, to breaking the bad news about a retainer lost in the wilderness. These letters reveal that kids are wittier and more sophisticated than we might assume, and that the experience of being away from home for the first time creates hilarious and lasting memories. Inspired by her daughter's "melodramatic rants" from camp, Diane Falanga collected 150 hilarious, poignant letters from kids 8-16 ... Read it and remember. - *People Magazine* Whether your kid is in camp or you cherish your own memories of s'mores and Color Wars, you'll get a kick out of *P.S. I Hate It Here!*, a book of real-life, laugh-out-loud letters from camp. - *Redbook Magazine* Kids just left for sleepaway camp? See how their letters from home measure up to the humorous missives in the new book "P.S. I Hate It

Here: Kids' Letters From Camp" by Diane Falanga, a collection of more than 150 real letters. - Newsday 'P.S. I Hate It Here' compiles notes home from camp with love - a handsome, actually quite beautiful, little book. - Chicago Tribune Trust me when I tell you that not only will your kids get a kick out of the amazingly funny letters contained in this book, you and your friends will too. - Chicago Parent Magazine This collection of kids' actual letters home brings back all the hilarity and homesickness of sleepaway camp. Each image displays children's creative spelling, their pleading to be picked up or for permission to stay "just two more weeks." Parents and seasoned campers will enjoy reading this collection and laughing at (or commiserating with) these familiar dilemmas: "I hate it here! The letter before this about me starting to have fun was not true ..." - San Diego Family Magazine

The bestselling book for every boy from eight to eighty, covering essential boyhood skills such as building tree houses*, learning how to fish, finding true north, and even answering the age old question of what the big deal with girls is. In this digital age there is still a place for knots, skipping stones and stories of incredible courage. This book recaptures Sunday afternoons, stimulates curiosity, and makes for great father-son activities. The brothers Conn and Hal have put together a wonderful collection of all things that make being young or young at heart fun—building go-carts and electromagnets, identifying insects and spiders, and flying the world's best paper airplanes. The completely revised American Edition includes: The Greatest Paper Airplane in the World
