In the summer of 2015, the Numinous and I teamed up to create an interactive art installation and event space called the Temple of Venus. As an altar to the goddess Venus the installation served as a healing space: the events at the Temple were a way to address our questions and questings regarding love, sexuality, beauty, money and everything else Venus touches.

Overview. A young man undertakes to become the most thorough rake of the Victorian era. He begins by seducing schoolgirls then graduates to the wives and mothers of his acquaintances. He eventually moves to Paris, where he can indulge his debauchery completely. This erotic novel was published anonymously in Victorian England and is highly evocative of the sensuality forbidden from mainstream literature at the time.
