The Body is the Hero. by. Ronald J. Glasser. 4.26 · Rating details · 19 ratings · 0 reviews. This is the amazing story of what happens when the immune system goes haywire. Reading like a scientific thriller, the book intertwines science with history to describe the discoveries and flashes of brilliance of men such as Semmelweise and Pasteur, and the modern-day struggles of doctors and researchers to pry out why the immune system saves one person and kills another.

Last week, Glossier launched yet more millennial-pink goods. Expanding their Body Hero line, the brand added a new exfoliating body soap (the Body Hero Exfoliating Bar) and a body mist (Body Hero Dry-Touch Oil). They also got the real Body Heroes at the WNBA to test it out. Following their lead, some Cut staffers sampled the products.

Which is why we're thrilled to finally introduce you to Glossier's latest: Body Hero, the products that won't explode your body routine into 12+ overwhelming steps (it's just two products), but WILL treat your body skin just as well as you treat your face for dewy, glowy, healthy results right away. Think of it as a well-deserved upgrade for a body that works as hard as you do.

William Giraldi's *The Hero's Body* is an exquisitely written memoir. While the book's nominal subjects are familial codes of manliness, the subculture of body-building, and the masculine craving for strength and speed, it is really an exploration of the complexity of filial love and the quest for transcendence that often takes extreme forms.
