Aminata Diallo is thrown into the chaos of the Revolutionary War, during which she helps create a list of black people who have been honored for their service to the king.

Censorship and book burning are still present in our lives. Lawrence Hill shares his experiences of how ignorance and the fear of ideas led a group in the Netherlands to burn the cover of his widely successful novel, *The Book of Negroes*, in 2011. Why do books continue to ignite such strong reactions in people in the age of the Internet? Is banning, censoring, or controlling book distribution ever justified? Hill illustrates his ideas with anecdotes and lists names of

hipness, the pioneers are usually left behind as black aesthetics are converted into mainstream success—and white profit. Weaving together narrative, scholarship, and critique, Lauren Michele Jackson reveals why cultural appropriation—something that's become embedded in our daily lives—deserves serious attention. It is a blueprint for taking wealth and power, and ultimately exacerbates the economic, political, and social inequity that persists in America. She unravels the racial contradictions lurking behind American culture as we know it—from shapeshifting celebrities and memes gone viral to brazen poets, loveable potheads, and faulty political leaders. An audacious debut,

White Negroes brilliantly summons a re-interrogation of Norman Mailer's infamous 1957 essay of a similar name. It also introduces a bold new voice in Jackson. Piercing, curious, and bursting with pop cultural touchstones, White Negroes is a dispatch in awe of black creativity everywhere and an urgent call for our thoughtful consumption.

The untold story of the Harvard class of '63, whose Black students fought to create their own identities on the cusp between integration and affirmative action. graduate as African Americans. Some fifty years later, one of these trailblazing Harvard grads, Kent Garrett, would begin to reconnect with his classmates and explore their vastly different backgrounds, lives, and what their time at Harvard meant. Garrett and his partner Jeanne Ellsworth recount how these eighteen youths broke new ground, with ramifications that extended far past the iconic Yard. By the time they were seniors, they would have demonstrated against national injustice and grappled with the racism of academia, had dinner with Malcolm X and fought alongside their African national classmates for the right to form a Black students' organization. Part memoir, part group portrait, and part narrative history
