The Bridges of God appeared in 1954, and it has since become known as the classic summons for missionaries to utilize the "bridges" of family and kinship ties within each people group thereby prompting "people movements" to Christ. This is contrasted with the "Mission Station Approach," dominant in missionary strategy of the nine-

Book Review 1: The Bridges of God by Donald McGavran. For my first Church Planting book review, I read Donald McGavran's book The Bridges of God. Donald McGavran grew up in India and worked there for 30 years as a missionary. Upon coming home, he began a school in Oregon dedicated to the study of missions. In 1965, he establish the School of World Mission (now the School of Intercultural Studies) at Fuller Theological Seminary.

is (some of His attributes-holiness, wisdom, love). One cannot fear an unknown god. The knowledge of God in His being and nature is the foundation of every doctrine. The greater one's knowledge of 'The Triune God', the more you will be enabled, by His grace, to walk in godly fear. We often try to categorize things to help us better understand them. Are any of God's attributes more important than the others?
