Book description. Feminist theology is a significant movement within contemporary theology. The aim of this Companion is to give an outline of feminist theology through an analysis of its overall shape and its major themes, so that both its place in and its contributions to the present changing theological landscape may be discerned.

~~The Cambridge Companion to Feminist Theology~~ edited by ...

'This splendid set of essays by thirteen women is a new sort of Cambridge Companion, a companion to a movement in philosophy rather than to one philosopher's work ... this is a book which not merely introduces students of analytic philosophy to the riches of feminism but will also interest and invigorate feminists.' Annette Baier

Feminism has dramatically influenced the way literary texts are read, taught and evaluated. Feminist literary theory has deliberately transgressed traditional boundaries between literature, philosophy and the social sciences in order to understand how gender has been constructed and represented through language.
