The Children (Scotland) Act 1995, 2nd Edition provides a full text copy of this important Act, with readily accessible commentary. The authoritative annotations highlight important changes to the pre-1995 law, identify the derivations of the major provisions, give interpretation of the various provisions and supply practical guidance in the layout of the Act, with its many cross-references. It examines the impact of all amending legislation including the Regulation of Care (Scotland) Act 2001, important case law such as *White v White* and looks at how the Children (Scotland) Act 1995 has established itself in practice.
