A lush and haunting novel of a city steeped in decadent pleasures . . . and of a man, proud and defiant, caught in a web of murder and betrayal. It is 1833. In the midst of Mardi Gras, Benjamin January, a Creole physician and music teacher, is playing piano at the Salle d'Orleans when the evenings festivities are interrupted—by murder. Ravishing Angelique Crozat, a notorious octoroon who travels in the city's finest company, has been strangled to death. With the authorities reluctant to become involved, Ben begins his own inquiry, which will take him through the seamy haunts of riverboatmen and into the huts of voodoo-worshipping slaves. But soon the eyes of suspicion turn toward Ben—for, black as the slave who fathered him, this free man of color is still the perfect scapegoat. . . . Praise for *A Free Man of Color*

explores his mother's past, as well as his own upbringing and heritage, in a poignant and powerful debut, *The Color Of Water: A Black Man's Tribute to His White Mother*. The son of a black minister and a woman who would not admit she was white, James McBride grew up in "orchestrated chaos" with his eleven siblings in the poor, all-black projects of Red Hook, Brooklyn. "Mommy," a fiercely protective woman with "dark eyes full of pep and fire," herded her brood to Manhattan's free cultural events, sent them off on buses to the best (and mainly Jewish) schools, demanded good grades, and commanded respect. As a young man, McBride saw his mother as a source of embarrassment, worry, and confusion—and reached thirty before he began to discover the truth about her early life and long-buried pain. In *The Color of Water*, McBride retraces his mother's footsteps and, through her searing and spirited voice, recreates her remarkable story. The daughter of a failed itinerant Orthodox rabbi, she was born Rachel Shilsky (actually Ruchel Dwara Zylska) in Poland on April 1, 1921. Fleeing pogroms, her family emigrated to America and ultimately settled in Suffolk, Virginia, a small town where anti-Semitism and racial tensions ran high. With candor and immediacy, Ruth describes her parents' loveless marriage; her fragile, handicapped mother; her cruel, sexually-abusive father; and the rest of the family and life she abandoned. At seventeen, after fleeing Virginia and settling in New York City, Ruth married a black minister and founded the all-black New Brown Memorial Baptist Church in her Red Hook living room. "God is the color of water," Ruth McBride taught her children, firmly convinced that life's blessings and life's values transcend race. Twice widowed, and continually confronting overwhelming adversity and racism, Ruth's determination, drive and discipline saw her dozen children through college—and most through graduate school. At age

65, she herself received a degree in social work from Temple University. Interspersed throughout his mother's compelling narrative, McBride shares candid recollections of his own experiences as a mixed-race child of poverty, his flirtations with drugs and violence, and his eventual self-realization and professional success. *The Color of Water* touches readers of all colors as a vivid portrait of growing up, a haunting meditation on race and identity, and a lyrical valentine to a mother from her son. This book was recently reprinted with a new cover. You may receive one of the two covers shown.

Before law and order took hold, New Orleans was boisterous; before class, racial and political lines were drawn, it was a parade of beautiful women and good-looking men, flowing wine, and pleasure for the taking. At the center of this Dionysian world is Jacques Cornet, who commands the men, seduces the women, preens like a peacock, and cuts a wide swath through the city and the province. But, it is 1801 and the map of New Orleans is about to be redrawn. The Louisiana Purchase will bring American rule to New Orleans, challenging the chaotic, colorful world of Jacques Cornet and all that he represents.
