Jus cogens (or ius cogens) is a latin phrase that literally means "compelling law." It designates norms from which no derogation is permitted by way of particular agreements. It stems from the idea already known in Roman law that certain legal rules cannot be contracted out, given the fundamental values they uphold.

## *Human Rights and the Magic of Jus Cogens*

According to the argument, even if we limit the effects of jus cogens norms to those described in the 1969 Vienna Convention, the jus cogens concept takes us farther than most commentators seem to realize. This is due partly to the power potential invested in the jus cogens concept, partly to the intricate structure typical of legal norms.
