Modernity, a topic in the humanities and social sciences, is both a historical period (the modern era) and the ensemble of particular socio-cultural norms, attitudes and practices that arose in the wake of the Renaissance—in the "Age of Reason" of 17th-century thought and the 18th-century "Enlightenment".Some commentators consider the era of modernity to have ended by 1930, with World War II ...

Modernity - Wikipedia

Late modernity brings us other problems, however, and Bauman draws on alternative psychological theories which suggest that contemporary men and women are not tormented by the pressure of ideals they cannot live up to, but by the absence of any such ideals, the dearth of recipes for a decent life and the lack of a predictable destination for our life itinerary. The result, for individuals, is mental depression, by which Bauman means feelings of impotence, of inadequacy to the tasks of life.
