Reflections in crisis - McKinsey & Company

Therefore, it is imperative that the world has an economic plan not just for the current crisis, but also post-crisis as well. In a recent Mongabay India Series commentary, Gopikrishna Warrior notes that with the changing climate and rainfall, new diseases are emerging. The changing climate causes more stress to wild animals who are already confronted with shrinking habitats, thus making it easier for diseases to jump from animals to humans.

What this view implies is that under modernity any notion of emancipatory or transformative agency has necessarily to be political. See his 'Crisis of the Nation-State in India,' in Contemporary Crisis of the Nation-State, ed. Dunn, John (Oxford: Basil Blackwell, 1995), p. 118.

Indian Secularism and Its Critics: Some Reflections | The ...

'The Crisis of Secularism in India is a lively engagement by leading scholars on the causes, forms and solutions to the erosion of tolerance in India. . . . This volume is important because it updates existing scholarship on secularism in three interesting ways: a) it provides a rich empirical (contemporary and historical) basis for the debates on the crisis of secularism; b) it highlights other sites of secularism such as education, cinema, media, and non-mainstream ways of thinking about ...
