Den is the name of two identical sword and planet fictional characters created by Richard Corben. The first appeared in the 1968 animated short film *Neverwhere*. The second has been appearing in the medium of comics since 1973, and in short stories that have been collected for the most part in trade paperbacks.

"Wonderfully strange and strangely wonderful, Peter Van den Ende's *Wanderer* is an epic dream captured in superbly meticulous detail."—Shaun Tan As with Shaun Tan's *The Arrival*, it gives us collective goosebumps to introduce the singular talent and imagination of Peter Van den Ende to North America. Without a word, and with Escher-like precision, Van den Ende presents one little paper boat's journey across the ocean, past reefs and between icebergs, through schools of fish, swaying water ...

The Lion's Den is a bizarre story that starts out as a simple rivalry between friends but slowly turns into something more sinister. There are two narratives being told in alternating chapters. One takes place in the present, following Belle on her trip aboard the yacht; the other begins ten years ago and finally meets the current story in the very last chapter.

Becky asks the Chosen One to retrieve a book from Derek in the East Side of the Den. Derek himself is located just outside of Mom's Diner, but unfortunately of no help whatsoever. The book in question is " The Lavender Flower " (a romantic novel) and spawns somewhere in the East Side, though the exact location is random.

A luminous, hypnotic story of youth, sex, and power that tells of two young women who find themselves ostracized from the same small New England community for the same reasons--though they are

# Where To Download The Den Book

separated by 150 years. Henrietta and Jane are fifteen and twelve, growing up in a farmhouse on the outskirts of town. Their mother is a painter, lost in her art, their father a cook who's raised them on magical tales about their land. When Henrietta becomes obsessed with a boy from town, Jane takes to trailing the young couple, spying on their trysts--until one night, Henrietta vanishes into the woods. Elspeth and Claire are sisters separated by an ocean--Elspeth's pregnancy at seventeen meant she was quickly married and sent to America to avoid certain shame. But when she begins ingratiating herself to the town's wealthy mill owner, a series of wrenching and violent events unfold, culminating in her disappearance. As Jane and Claire search in their own times for their missing sisters, they each come across a strange story about a family that is transformed into coyotes. But what does this myth mean? Are their sisters dead, destroyed by men and lust? Or, are they alive and thriving beyond the watchful eyes of their same small town? With echoes of *The Scarlet Letter*, Abi Maxwell gives us a transporting, layered tale of two women, living generations apart yet connected by place and longing, and condemned for the very same desires.

Adorable animals make room in their den for sleepy friends in this story that helps readers countdown to bedtime. Deep in the den, ten sleepy, cuddly animals snuggle up together for the night. As the animal friends roll over to make more room, one animal after another gently tumbles out of the cozy den...until Little Mouse is left all alone. But Little Mouse misses his friends, so he comes up with the perfect solution to his problem. John Butler's charming version of a familiar children's rhyme features a simple but playful text and soft, pastel-colored illustrations of bright-eyed baby animals. The result is an irresistible read-aloud story that will invite delighted responses from young children.

THE DEN was inspired by actual events and their resulting,

recurring nightmares. Is it possible to run away from yourself? No. Skyla Jane Judge should know. Fresh on the heels of a breakup and college graduation, Skyla Jane Judge feels an inexplicable urge to accompany an attractive stranger on a road trip from New York to New Orleans. Maybe it has something to do with what a psychic has told her about a past life. Maybe some old friends stuck between lives are waiting for her there. Whatever the case, she gives in to the lure of Louisiana ' s voodoo country and doesn ' t look back. Longing for change, she uncovers a " den " beneath the haunted cobblestone streets of the French Quarter and, in the company of vampires, begins to discover her true self. Skyla embarks on a journey to self-awareness that ultimately uncovers a secret ceremonial path to love and eternal enlightenment. Though change is what she wanted, is she ready for the irrevocable change her " new " friends offer her? THE DEN (47,000 words) is Book #1 of The Vampire ' s Witch Saga. Books #2 (IN THE BLOOD) and #3 (THE SEVENTH DAY) in the series are also available for sale.

Trusted CIA operative Tom Delang is kidnapped in Dammam by Iranian operatives following a meeting with the Saudi ambassador to the United States and is tortured for coveted information. Discovering that Delang is of personal interest to the Russian president, Iranian Revolutionary Guard commander Rahim Shirazi offers to trade the American to the Russians in exchange for access to their secret missile system. Together, the two countries conspire to overtake the American military base in Bahrain, currently home to the Fifth Fleet. On Capitol Hill, Senator Vivian Walsh exploits the media and attempts to manipulate the Defense Department as she conspires to have the base closed after a drone strike targets two high-value terrorists but kills several Iraqi children instead. While Delang is locked away for months, Kirk Kurruthers, an American of Iranian descent, finds his grandfather murdered by mysterious Iranian intruders. After uncovering his family's connection to the 1953 CIA coup that deposed Mohammed Mossadegh, Kirk flies to

Iran, hell bent on revenge, where he is met by his in-country guide, Farhad. Following his own capture, Kurruthers, along with Delang, risk a daring and unconventional escape into neighboring Turkmenistan, their only hope of surviving and disclosing the truth.

A #1 bestseller from coast to coast, *Den of Thieves* tells the full story of the insider-trading scandal that nearly destroyed Wall Street, the men who pulled it off, and the chase that finally brought them to justice. Pulitzer Prize – winner James B. Stewart shows for the first time how four of the eighties' biggest names on Wall Street—Michael Milken, Ivan Boesky, Martin Siegel, and Dennis Levine—created the greatest insider-trading ring in financial history and almost walked away with billions, until a team of downtrodden detectives triumphed over some of America's most expensive lawyers to bring this powerful quartet to justice. Based on secret grand jury transcripts, interviews, and actual trading records, and containing explosive new revelations about Michael Milken and Ivan Boesky written especially for this paperback edition, *Den of Thieves* weaves all the facts into an unforgettable narrative—a portrait of human nature, big business, and crime of unparalleled proportions.

Building a den, fort, treehouse or hideaway is part of childhood's imaginary world, where anything might be possible. Dens are universal play places: you can make them almost anywhere, out of almost anything. *The Den Book* uses descriptive text and ample photographs to inspire children (and their adults) to build amazing dens outdoors, for themselves, for their toys, or for the imaginary creatures who live in the woods or the park. What makes a good den? It should be secret: perhaps you need to know the password before you are allowed to enter. It should be a place to hang out with friends. It should be a place where you can escape into your imagination. The book includes basic construction tips on how to build a den, how to waterproof and furnish it, and specific advice on

# Where To Download The Den Book

several different sorts of den, including: Sleep out dens, Outlaw dens, Party dens, Beach dens, Urban dens, Nature detective dens, Fairy Forts, Miniature dens, Garden dens, Treehouses and Teepees.

Vasili Nikolaev. Dangerous. Deadly. And most of all, devastating. He's the king of New Orleans. Running the mafia and my best friend's oldest, mouthwatering brother. One college Halloween night, I gave him everything. My body. My heart. My soul. He burnt it all to the ground with the first ray of dawn. I learned secrets I never wanted to know. My mother cost him and his siblings their childhood. One thing is for certain. Nikolaev always settles the score. Now Vasili is back in my life again. He'll burn everything down to the ground, including my boyfriend. The question is... What is Vasili's end game?

Sex, betrayal, and intrigue: A dream vacation on a luxurious yacht turns deadly in this pulse-pounding beach read "chock full of delicious characters who flaunt their sins . . . like the latest Birkin bag" (Adriana Trigiani). Belle likes to think herself immune to the dizzying effects of fabulous wealth. But when her best friend, Summer, invites her on a glamorous getaway to the Mediterranean aboard her billionaire boyfriend's yacht, the only sensible answer is yes. Belle hopes the trip will be a much-needed break from her stalled acting career and uniquely humiliating waitressing job, but once she's aboard the luxurious Lion's Den, it soon becomes clear this jet-setting holiday is not as advertised. Belle's dream vacation quickly devolves into a nightmare as she and the handful of other girls Summer invited are treated more like prisoners than guests by their controlling host—and in one terrifying moment, Belle comes to see Summer for who she truly is: a vicious gold digger who will stop at nothing to get what she wants. Belle realizes she's going to have to keep her wits about her—and her own big secret closely hidden—if she wants to make it off the yacht alive.

A red fox sneaks up on an unsuspecting mouse. Then it pounces, landing on the mouse with all four of its feet. The fox grabs its prey with its jaws and heads back to its den. The fox's pups have been waiting for their meal in this safe underground burrow. Clear text and colorful photos and diagrams will engage young readers as they learn about the natural habitat, physical characteristics, diet, and behavior of foxes. Age-appropriate activities and critical-thinking questions give readers a chance to make observations and gain insights beyond the facts and figures.

“ Den of Thieves rollicks....This is a book I would be happy to have written. ” —Dave Duncan Remember this name: David Chandler. With *Den of Thieves*, the first book in his astounding fantasy series, *The Ancient Blades Trilogy*, Chandler immediately establishes himself as a major player in the world of action-rich epic fantasy—right up there alongside George R. R. Martin, R. A. Salvatore, and Raymond E. Feist. An enthralling and wonderfully gritty tale of cutpurses, knights and demons, witches, betrayals, and darkest intrigue—in the popular vein of the bestselling works of Brent Weeks, Joe Abercrombie, and Scott Lynch—*Den of Thieves* introduces readers to Malden, an amiable young criminal whose one grave mistake bonds him to the lord of the underworld and sets him on an impossible quest that will most likely lead the hapless thief to his doom.
