The Development Dictionary: A Guide to Knowledge as Power ...

I hope we get to a point where the development dictionary is a household word. This book opened my eyes and gave me the ability to choose how I understand the world. For people who care about social and personal awareness, living responsibly, and getting to a sustainable global community, this book is an invaluable guide.

The Development Dictionary: A Guide to Knowledge As Power ...

In this pioneering collection, some of the world's most eminent critics of development review the key concepts of the development discourse in the post-war era. Each essay examines one concept from a historical and anthropological point of view and highlights its particular bias. Exposing their historical obsolescence and intellectual sterility, the authors call for a bidding farewell to the ...
