the last in a long bloodline charged with keeping the Holy Grail. Versions of the original story vary widely, but he is always wounded in the legs or groin and incapable of standing. All he is able to do is fish in a small boat on the river near his castle, Corbenic, and wait for some noble who might be able to heal him by asking a certain question. In later versions, knights travel from many lands to try to

*Fisher King - Merlin Wiki - BBC TV Series*

In the Fisher King, he tells the story of a king who is wounded in his feeling function. In modern terms, we would say he is damaged in his ability to experience emotions -- to relate to other people. He has respite from his pain only when he is fishing, hence the name. He lives in the castle of the holy grail.
