uncompleted novel of Ernest Hemingway, which he worked on intermittently from 1946 until his death in 1961. Set on the Côte d'Azur in the 1920s, it is the story of a young American writer, David Bourne, his glamorous wife, Catherine, and the dangerous, erotic game they play when they fall in love with the same woman. "A lean, sensuous narrative...taut, chic, and strangely contemporary," The Garden of Eden represents vintage Hemingway, the master "doing what nobody did better" (R. Z. Sheppard, Time).

Colm Tóibín's second "lovely, understated" novel that "proceeds with stately grace" (The Washington Post Book World) about an uncompromising judge whose principles, when brought home to his own family, are tragic. Eamon Redmond is a judge in Ireland's high court, a completely legal creature who is

Acces PDF The Garden Of Eden Ernest Hemingway

just beginning to discover how painfully unconnected he is from other human beings. With effortless fluency, Colm Tóibín reconstructs the history of Eamon's relationships—with his father, his first "girl," his wife, and the children who barely know him—and he writes about Eamon's affection for the Irish coast with such painterly skill that the land itself becomes a character. The result is a novel of stunning power, "seductive and absorbing" (USA Today).

In the fall of 1948, Ernest Hemingway and his fourth wife traveled for the first time to Venice, which Hemingway called "absolutely god-damned wonderful." A year shy of his fiftieth birthday, Hemingway hadn't published a novel in nearly a decade when he met and fell in

love with Adriana Ivancich, a striking Venetian girl just out of finishing school. Here Andrea di Robilant re-creates with sparkling clarity this surprising, years-long relationship, during which Adriana inspired a man thirty years her senior to complete his great final work. Hemingway used Adriana as the model for Renata in *Across the River and into the Trees*, and continued to visit Venice to see her; when the Ivanciches traveled to Cuba, Adriana was there as he wrote *The Old Man and the Sea*. The illuminating story of writer and muse--which also examines the cost to a young woman of her association with a larger-than-life literary celebrity--*Autumn in Venice* is an intimate look at Hemingway's final years.

Offers a complete reading text of the last of Ernest Hemingway's manuscripts to be published in its entirety.

Acces PDF The Garden Of Eden Ernest Hemingway

This Prestwick House Literary Touchstone Edition includes a glossary and reader's notes to help the modern reader contend with Ibsen's approach to complex human interactions and the relationship between the sexes. Norwegian-born Henrik Ibsen's classic play about the struggle between independence and security still resonates with readers and audience members today. Often hailed as an early feminist work, the story of Nora and Torvald rises above simple gender issues to ask the bigger question: "To what extent have we sacrificed our selves for the sake of social customs and to protect what we think is love?" Nora's struggle and ultimate realizations about her life invite all of us to examine our own lives and find the many ways we have made ourselves dolls and playthings in the hands of forces we believe to be beyond our control.

A full biography of Ernest Hemingway draws on a wide range of previously untapped material and offers particular insight into the private demons that both inspired and tormented him.

Featuring a previously published author introduction, a personal foreword by his son and a new introduction by his grandson, a definitive edition of the lauded World War I classic collects all 39 of the Nobel Prize-winning author's alternate endings to offer new insights into his creative process. Reprint.

As touching as it is humorous, *The Garden of Eden* is a parable for our time with a powerful and ultimately redemptive ending that speaks to oft underappreciated virtues such as loyalty (sticking with those you love even when they screw up

royally), tolerance, and forgiveness. It's also about the values that keep America together--the simple solutions ordinary people find to keep their small communities strong. Trooper Sam Neely is fresh out of the State Police academy and finds himself assigned to the dullest backwater town he's never heard of. Things heat up quickly in Eden, U.S.A., however, when Ed Harris, the banker, finds his wife in bed with his best friend, Hayden Elkins. Ed picks up a shotgun, escorts them both to the door, and tells friend Hayden, "Guess what? She's yours!" "I've got a wife, Ed," says Hayden. "Now you have two. . . ." Forced to take his paramour to live under his own roof (after all, they had only intended to share an afternoon of delight, not to leave their spouses), Hayden suddenly finds himself the butt of every joke in town. That's where things start to spin out of control.

Before long, Elijah Murphy, the town drunk, and the snooping widow next door, to whom he'd exposed himself, are falling in love; sleazy Sheriff's Deputy Delmar Clay is about to get a butt-full of birdshot for the pictures he's been snapping of young couples getting hot and heavy in parked cars; and the Barrow Boys are out of jail and looking for trouble. Soon, Neely finds that managing the crises in the sticks is a full-time job, and it takes a whole community--from the compassionate local magistrate to the new female preacher--to keep things from exploding big-city style.

A group of fanatical religious tourists from the future travel back in time to meet Adam and Eve. Unfortunately, their time ship crashes, killing the majority of the crew (including the leprechauns) and leaving them stranded in this strange shark-

infested land. Among the survivors are: Ernest who has the ability to turn people into mannequins, Ira who wields a razor-edged bible for a weapon, Wayne a giant wizard head with fat lizard legs, Donkey the hunchback halfwit, Anton the birdman, Rattlesnake Doctor, Ancestor, and Sturgeonwolf. This cult of deranged priests soon discover that Eden is a far more surreal and dangerous place than they could ever have imagined. It is going to take everything they've got in order to survive long enough to find another way home--Publisher's description.
