The Glorious First of June, also known as the Fourth Battle of Ushant or, in France, as the Bataille du 13 prairial an 2 or Combat de Prairial) of 1794 was the first and largest fleet action of the naval conflict between the Kingdom of Great Britain and the First French Republic during the French Revolutionary Wars .

Glorious First of June - Wikipedia

The Glorious First of June was the largest (and longest - 1 June 1794 was the last day of a running battle which started on 28 May) naval battle of the French Revolutionary Wars. Yet it has been overshadowed in both popular memory and historical analysis by the battles of the Napoleonic Wars and Nelson's famous victories.

The Glorious First of June (Hearts of Oak Trilogy): Willis ...

Battle of the First of June, also called Battle of the Glorious First of June or Battle of Ushant, (June 1, 1794), the first great naval engagement of the French Revolutionary Wars, fought between the French and the British in the Atlantic Ocean about 430 miles (690 km) west of the Breton island of Ouessant (Ushant).

Battle of the First of June | French-British history ...

The year is 1794. While revolutionary France is in the grip of the Terror, two great fleets, one French, the other British, under the command of the redoubtable Howe approach each other in mid-Atlantic... This is the overall scene of Professor Willis's highly entertaining and informative portrait of the battle known as the Glorious First Of June. This reads-like-a-novel history describes not only the battle and the strategy and operations that enabled it, but Willis also takes the time to ...

The Glorious First of June by Sam Willis - Goodreads

The Glorious First of June broke one of the rules by which we understand battles – that there can be only one winner. After the French and British fleets fought on 1 June 1795 – the first and largest naval battle between them in the Revolutionary Wars – both would claim strategic victory. This was no mere propaganda sleight of hand.

The Glorious First of June Broke One Of The Rules By Which ...

The Osprey Campaign Series title "The Glorious First of June 1794" captures a three-day clash between the British Royal Navy and the French Marine Nationale. The fight, out of sight of land, was the result of weeks of maneuvering.

The Glorious First of June 1794 (Campaign): Lardas, Mark ...

In 1848, long after the Glorious First of June, Great Britain awarded medals to her naval veterans. The lowest-ranking of the recipients of the Naval General Service Medal who had been present at the Glorious First of June was one Daniel Tremendous McKenzie. McKenzie was born to the wife of a sailor aboard HMS Tremendous on June 1, 1794. On his citation, his rank during the battle was officially listed as “ baby. ”

The Glorious First of June - Warfare History Network

The Glorious First of June, (known in France as Bataille du 13 prairial an 2 and sometimes called Third Battle of Ushant) of 1794 was the first and largest naval action between the French and British fleets during the French Revolutionary Wars. The action was fought over 400 miles (640 km) west of Ushant, the most Western point on Brittany in France, deep in the Atlantic Ocean.

Order of battle at the Glorious First of June - Wikipedia

The British eventually dub the victory the Glorious First of June. Having been fought 500 miles from the nearest cape or headland a more apt name for the battle fails to emerge.

The Glorious First of June – Why Britain 's First Triumph ...

That of the 'Glorious First' was published in January 1799 and that of Valenciennes in 1801. Both pictures were sold to Mr T. Vernon of Liverpool at Chrsties, London, on 10 June 1799 and were exhibited on tour (including in Edinburgh in 1800).

casualties=7 ships lost, approx. 4,000 casualties, 3,000 captured The Glorious First of June (also known as the Third Battle of Ushant, and in France as the _fr. "Bataille du 13 prairial an 2" or _fr. "Combat de Prairial") [The battle is generally known in both English and French by its date rather than its geographical location.

As 1794 opened, Revolutionary France stood on a knife's edge of failure. Its army and navy had been shaken by the revolution, with civil war and famine taking its toll on their resources. Seeking to bring a revitalizing supply of food from its Caribbean colonies and the United States, the French government decided to organize a massive convoy to bring the New World's bounty to France. However, in order to succeed in their mission, the French Navy would have to make a deadly crossing over the North Atlantic, an ocean patrolled by the Royal Navy, the most powerful navy force in the world, whose sailors were eager to inflict a damaging defeat on Revolutionary France and win their fortune in prize money. Illustrated throughout with stunning full-colour artwork, this is the full story of the only fleet action during the Age of Fighting Sail fought in the open ocean, hundreds of miles from shore. Taking place over the course of a month, the inevitable battle was to be a close-run affair, with both sides claiming victory. To the French, it was le Bataille du 13 prairial, a notable day in their new, scientific Revolutionary calendar. For the British, it was the Glorious First of June.

France, early summer 1794. The French Revolution has been hijacked by the extreme Jacobins and is in the grip of The Terror. While the guillotine relentlessly takes the heads of innocents, two vast French and British fleets meet in the mid-Atlantic following a week of skirmishing. After fierce fighting, both sides claim victory. In *The Glorious First of June* Sam Willis not only tells, with thrilling immediacy and masterly clarity, the story of an epic and complex battle, he also places it within the context of The Terror, the survival of the French Revolution and the growth of British sea-power.

Finally revealing the family 's indefatigable women among its legendary military figures, *The Howe Dynasty* recasts the British side of the American Revolution. In December 1774, Benjamin Franklin met Caroline Howe, the sister of British General Sir William Howe and Richard Admiral Lord Howe, in a London drawing room for " half a dozen Games of Chess. " But as historian Julie Flavell reveals, these meetings were about much more than board games: they were cover for a last-ditch attempt to forestall the outbreak of the American War of Independence. Aware that the distinguished Howe family, both the men and the women, have been known solely for the military exploits of the brothers, Flavell investigated the letters of Caroline Howe, which have been blatantly overlooked since the nineteenth century. Using revelatory documents and this correspondence, *The Howe Dynasty* provides a groundbreaking reinterpretation of one of England 's most famous military families across four wars. Contemporaries considered the Howes impenetrable and intensely private—or, as Horace Walpole called them, " brave and silent. " Flavell traces their roots to modest beginnings at Langar Hall in rural Nottinghamshire and highlights the Georgian phenomenon of the politically involved aristocratic woman. In fact, the early careers of the brothers—George, Richard, and William—can be credited not to the maneuverings of their father, Scrope Lord Howe, but to those of their aunt, the savvy Mary Herbert Countess Pembroke. When eldest sister Caroline came of age during the reign of King George III, she too used her intimacy with the royal inner circle to promote her brothers, moving smoothly between a straitlaced court and an increasingly scandalous London high life. With genuine suspense, Flavell skillfully recounts the most notable episodes of the brothers ' military campaigns: how Richard, commanding the HMS *Dunkirk* in 1755, fired the first shot signaling the beginning of the Seven Years ' War at sea; how George won the devotion of the American fighters he commanded at Fort Ticonderoga just

three years later; and how youngest brother General William Howe, his sympathies torn, nonetheless commanded his troops to a bitter Pyrrhic victory in the Battle of Bunker Hill, only to be vilified for his failure as British commander-in-chief to subdue Washington ' s Continental Army. Britain ' s desperate battles to guard its most vaunted colonial possession are here told in tandem with London parlor-room intrigues, where Caroline bravely fought to protect the Howe reputation in a gossipy aristocratic milieu. A riveting narrative and long overdue reassessment of the entire family, The Howe Dynasty forces us to reimagine the Revolutionary War in ways that would have been previously inconceivable.

Admiral John Benbow was an English naval hero, a fighting sailor of ruthless methods but indomitable courage. Benbow was a man to be reckoned with. In 1702, however, when Benbow engaged a French squadron off the Spanish main, other ships in his squadron failed to support him. His leg shattered by a cannon-ball, Benbow fought on--but to no avail: the French escaped and the stricken Benbow succumbed to his wounds. When the story of his "Last Fight" reached England, there was an outcry. Two of the captains who had abandoned him were court-martialed and shot; Brave Benbow was elevated from national hero to national legend, his valor immortalized in broadsheet and folksong: ships were named after him; Tennyson later feted him in verse; in Robert Louis Stevenson's *Treasure Island*, the tavern where Jim Hawkins and his mother live is called The Admiral Benbow. For the very first time, Sam Willis tells the extraordinary story of Admiral Benbow through an age of dramatic change, from his birth under Cromwell's Commonwealth; to service under the restored Stuart monarchy; to the Glorious Revolution of 1688; to the French wars of Louis XIV; and finally to the bitter betrayal of 1702. The Admiral Benbow covers all aspects of seventeenth century naval life in richly vivid detail, from strategy and tactics to health and discipline. But Benbow also worked in the Royal Dockyards, lived in Samuel Evelyn's House, knew Peter the Great, helped to found the first naval hospital, and helped to build the first offshore lighthouse. The second volume in the *Hearts of Oak* trilogy, from one of Britain's most exciting young historians, *The Admiral Benbow* is a gripping and detailed account of the making of a naval legend.

The Glorious First of June 1794 was the first great naval engagement of the Great War with France (1793-1815). Participants on both sides considered it the hardest-fought battle between them in the eighteenth century and both sides felt they attained their objectives: the British captured or sank seven French battleships, the French saved their big grain convoy from America. In this book experts explore the naval campaign from both British and French perspectives, setting it in its wider context of the war strategy of the rival powers. The intensity of the encounter is demonstrated through the accounts of eyewitnesses, three of which are here published for the first time, and the impact of the battle on public imagination is traced through plays, prints and paintings, and through the artefacts and memorials by which it was commemorated. Considered to be the hardest-fought battle between France and Britain in the 18th century. Includes the accounts of eye witnesses, some published for the first time. Traces the impact of the battle on public imagination by discussing plays, print, paintings, artefacts and memorials.

O *Glorious City* is an exuberant love letter to San Francisco from Jeremy Fish, a beloved artist who enjoys a massive fan base for his edgy artwork. When Fish was invited to create 100 new works of art in honor of City Hall's 100th birthday, he moved his studio into a City Hall office to become the city's first-ever artist in residence. This celebratory book gathers all 100 pieces of artwork—each rendered in his signature whimsical style—featuring everything from the city's famous architecture and treasured local landmarks to portraits of colorful local residents in a gallery of "unofficial mayors." Together these images form an energetic, visual tour de force showcasing San Francisco's vivacious spirit and vibrant history.

First published in 1961, this is a fascinating account of the battle between the fleets of the England 's Lord Howe and France 's Admiral Villaret-Joyeuse during the French Revolutionary Wars. Known as the Glorious First of June (also known in France as the Bataille du 13 prairial an 2 or Combat de Prairial), the action on 1 June 1794 was the culmination of a campaign that had criss-crossed the Bay of Biscay over the previous month in which both sides had captured numerous merchant ships and minor warships and had engaged in two partial, but inconclusive, fleet actions. The British Channel Fleet under Admiral Lord Howe attempted to prevent the passage of a vital French grain convoy from the United States, which was protected by the French Atlantic Fleet, commanded by Rear-Admiral Villaret-Joyeuse. The two forces clashed in the Atlantic Ocean, some 400 nautical miles (700 km) west of the French island of Ushant on 1 June 1794.

This is the story of the Bellerophon, a ship of the line known to her crew as the Billy Ruffian. Under fourteen captains, she played a conspicuous part in three of the most famous of all sea battles: the battle of the Glorious First of June (1794), the opening action against Revolutionary France; the battle of the Nile (1798), which halted Napoleon's eastern expansion from Cairo; and the battle of Trafalgar (1805), which established British naval supremacy for 100 years and during which her captain was shot dead with a musket ball an hour before Nelson was mortally wounded. But her crowning glory came six weeks after the Battle of Waterloo, when the Napoleon, trapped in La Rochelle, surrendered to the captain of the ship that had dogged his steps for more than twenty years.

An instant New York Times Bestseller! Longlisted for the 2019 National Book Award for Fiction, the Carnegie Medal in Fiction, the 2019 Aspen Words Literacy Prize, and the PEN/Hemingway Debut Novel Award Shortlisted for the 2019 Center for Fiction First Novel Prize Winner of the 2019 New England Book Award for Fiction! Named one of the most anticipated books of 2019 by Vulture, Entertainment Weekly, BuzzFeed, Los Angeles Times, Boston Globe, Oprah.com, Huffington Post, The A.V. Club, Nylon, The Week, The Rumpus, The Millions, The Guardian, Publishers Weekly, and more. " A lyrical work of self-discovery that 's shockingly intimate and insistently universal...Not so much briefly gorgeous as permanently stunning. " —Ron Charles, The Washington Post Poet Ocean Vuong 's debut novel is a shattering portrait of a family, a first love, and the redemptive power of storytelling On Earth We 're Briefly Gorgeous is a letter from a son to a mother who cannot read. Written when the speaker, Little Dog, is in his late twenties, the letter unearths a family 's history that began before he was born — a history whose epicenter is rooted in Vietnam — and serves as a doorway into parts of his life his mother has never known, all of it leading to an unforgettable revelation. At once a witness to the fraught yet undeniable love between a single mother and her son, it is also a brutally honest exploration of race, class, and masculinity. Asking questions central to our American moment, immersed as we are in addiction, violence, and trauma, but undergirded by compassion and tenderness, On Earth We 're Briefly Gorgeous is as much about the power of telling one 's own story as it is about the obliterating silence of not being heard. With stunning urgency and grace, Ocean Vuong writes of people caught between disparate worlds, and asks how we heal and rescue one another without forsaking who we are. The question of how to survive, and how to make of it a kind of joy, powers the most important debut novel of many years. Named a Best Book of the Year by: GQ, Kirkus Reviews, Booklist, Library Journal, TIME, Esquire, The Washington Post, Apple, Good Housekeeping, The New Yorker, The New York Public Library, Elle.com, The Guardian, The A.V. Club, NPR, Lithub, Entertainment Weekly, Vogue.com, The San Francisco Chronicle, Mother Jones, Vanity Fair, The Wall Street Journal Magazine and more!
