Geraldine, a goat, describes each step as she and her Navajo friend make a rug, from the hair clipping and carding to the dyeing and actual weaving.

A twisted fairy tale about a king and queen who wish for a child of their own . . . and end up with a baby goat. Perfect for readers of Children Make Terrible Pets and Wolfie the Bunny. Once upon a time, a very prim and proper king and queen begged their fairy godmother for a child. They'd prefer a boy, with glowing skin, bright eyes, and two roses for lips . . . but any kid will do. When they find themselves gifted with a baby goat (also known as a kid) instead, they can't imagine how he'll fit into their lives. But of course, it isn't long before he's part of the royal family. Readers will delight in this story's hilarity, confusion, and celebration of families that come in every shape and size. "A fresh, amusing, kindhearted picture book."--Booklist, Starred review "With its gentle morals of acceptance, not judging by appearances, and being open to outcomes different than expectations, this is a lovely family read-aloud."--Kirkus "The contrast between the royal couple's once-ordered existence and the cheerful mess at book's end is very funny, and the message about acceptance and the expanded definition of family is a bonus."--Horn Book

A favorite of children since the early 20th century, here are the escapades of that mischievous goat, Billy Whiskers. This is a book that children never tire of reading or hearing! All the original familiar illustrations by WH Fry are included: 3 color plates, 21 black-and-white drawings. Frances Trego Montgomery said that she got the ideas for her books by inviting groups of children to her house "between dinner and their bed time." Together they would spin yarns and develop stories. Her book, The Wonderful Electric Elephant (1903), is considered the first science fiction novel for children.

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

When Jeffrey and his goat discover a rock drawing, the librarian helps them find information about similar petroglyphs made by the Hopis.

Lyon and Anderson deliver this beautifully rendered picture book that shows the process of how a tapestry comes to life--from the wool sheared from prize-winning sheep to being dyed to put on the loom. Full color.

Maggie Meadows hadn't expected the heartfelt promise to her dying boss could lead to six months in the Taurus mountains of Turkey with his nomadic tribe. But it has. Each curve up the mountain takes her closer to a past she has spent a lifetime running from and to the stark truth that this is one promise she has to keep.
