The thesis of David E. Philips' book The Great Betrayal: How America Abandoned The Kurds And Lost The Middle East is, as the title suggests, that the
US tragically let down one of its most loyal allies in the Middle East, the Kurds, and in doing so undermined its own position in the region as well as its
credibility. Philips' goal in telling the story of how this came about is clear from the book's dedication, which he dedicates to both his late father and

Department for Work and Pensions to fight not to pay 3.8 million women born in the 1950s any money for lost pensions. One would expect Guy

Spoiler Alert: The great betrayal is by Britain and South Africa, selling out Rhodesia to the tragedy of one party gangster dictatorship similar to what happened to the rest of Africa when colonial rule came to end starting in the late 1950's. And Smith makes a compelling case in a very entertaining narrative.

The twentieth century saw dramatic changes in the once Kurd-dominated Kirkuk region of Iraq. Despite having repeatedly relied on the Kurdish population of Iraq for military support, on three occasions the United States have abandoned their supposed allies in Kirkuk. *The Great Betrayal* provides a political and diplomatic history of the Kirkuk region and its international relations from the 1920s to the present day. Based on first-hand interviews and previously unseen sources, it provides an accessible account of a region at the very heart of America's foreign policy priorities in the Middle East. In September 2017, Iraqi Kurdistan held an independence referendum, intended to be a starting point on negotiations with the Iraqi Government in Baghdad on the terms of a friendly divorce. Though the US, Turkey, and Iran opposed it, the referendum passed with 93% of the vote. Rather than negotiate, Iraq's Prime Minister Heider al-Abadi issued an ultimatum and then attacked the region. Iraq's Kurdish population have been abandoned, once again, by their supposed allies in the US. In this book, David L. Phillips reveals the failings of America's policies towards Kirkuk and the devastating effects of betraying an ally.

In helping someone I love, I lost my life. Or did I? Cut off from my body, I live in the home of a god who's willing to train me, to help me fully embrace my powers, both as a witch and as a reaper. But while I lay in a coma, the men I left behind suffer, desperate to find a way to bring me back. I want to return to them, but our family is not complete. One is missing, a member of the coven who was lost before they found me. And I must go on a quest to Purgatory and bring him back, or we'll forever be incomplete. I'm coming home to my men, to my family, but will my return bring relief or doom us all?
