Whiteness theory is understood as a specific approach in Whiteness Studies, examining how white identity affects a non-exhaustive list of identities in an adult’s life. This list includes, but is not limited to: social, political, racial, economic, and cultural identity. Whiteness Theory also looks at how whiteness is centric in culture, creating a blindness to the set of privileges associated with White identity, also known as white privilege. Whiteness Theory is an offshoot of critical race th
