"The Heavenly Man" tells the true story of Liu Zhenying, also known as Brother Yun, who, for the past 30 years, has committed himself to bringing the gospel of Christ to all of China. Imprisoned, tortured, and separated from his family for his beliefs, Brother Yun shares his story.

The Heavenly Man has been a publishing phenomenon. At least 350,000 have been sold in the Monarch edition alone. We are still printing in three locations worldwide to keep up with demand. At least 200,000 in Korean. 30 other languages to date. The book has provoked furious debate. To reach a different audience we have commissioned a graphic version from the same studio as produced "The Lion Graphic Bible". Artwork is being drawn and inked by Chinese illustrators to keep the idiom authentic. The book will be published in black and white as this was felt to be more in keeping with subject and likely market. We have opted for the same format as "The Lion Graphic Bible".

In The Heavenly Man, you learned the story of how God took a young half-starved boy from Henan Province and enabled him to stand strong on the frontlines for Jesus Christ, braving horrific opposition and impossible odds. Living Water is a collection of Brother Yun's dynamic teachings that evolved from his life experiences of persecution and revival in China. Brother Yun shares how the grace of God sustained him during his darkest hours and how that darkness transformed into the infectious joy and zeal for the Lord that are the hallmark of his ministry today. This unique book teaches us that radical faith is not for a chosen few, but for every believer who dares to call Jesus Christ Lord.

In the months before Isaac's birth, Brother Yun was in prison. His mother was about to be forced into having an abortion, though seven months pregnant, because she was carrying the child of an enemy of the state. After desperate prayer, the night before she was due to go into a hospital for the operation, she miraculously gave birth.

This book presents the life of an evangelist raised in a dysfunctional family, subcumbed to drugs and alcohol, and recovered to rise and found a mega-church.

The powerful spiritual vision of the Chinese church to send 100,000 missionaries across China's borders to complete the Great Commission, even in this generation.
