My Favorite Books (part 2) The Heretic Queen Michelle Moran

Michelle Moran follows up on Nefertiti with possibly an even better read in The Heretic Queen. This time we're following Princess Nefertari as she falls in love with a young Rameses II. Michelle Moran really brings the ancient Egyptian court to life, and tries to stick to historical facts wherever possible.

The Heretic Queen: Amazon.co.uk: Michelle Moran ...

The Heretic Queen is the first Michelle Moran novel I read. Looking at her other books, Michelle seems to have a penchant for Egyptian women rulers. The Heretic Queen focuses on one of the lesser known queens of Egypt, Nefertari, who was Queen Nefertiti's niece .

The Heretic Queen by Michelle Moran - Goodreads

Michelle Moran follows up on Nefertiti with possibly an even better read in The Heretic Queen. This time we're following Princess Nefertari as she falls in love with a young Rameses II. Michelle Moran really brings the ancient Egyptian court to life, and tries to stick to historical facts wherever possible.

The Heretic Queen Quotes by Michelle Moran

As we all know the Heretic Queen is Ms. Moran's second book. Once again she explores the ancient world of Egypt, something very few historical fiction authors have done. The novel is about Nefetari who is well versed in various languages, doesn't shy away from warfare and is a very intelligent young woman.

Michelle Moran - Books

Michelle Moran is an American novelist. She was born in California's San Fernando Valley. She took an interest in writing from an early age, purchasing Writer's Market and submitting her stories and novellas to publishers from the time she was twelve. She majored in literature at Pomona College. Following a summer in Israel where she worked as a volunteer archaeologist, she earned an MA from the Claremont Graduate University. Her experiences at archaeological sites were what inspired her to write

In ancient Egypt, a forgotten princess must overcome her family's past and remake history. Nefertari has been left to run wild in the palace, but catches the eye of the Crown Prince. All of Egypt opposes this union, and political adversity sets the country on edge.

Fast-paced and historically accurate, Nefertiti is the dramatic story of two unforgettable women living through a remarkable period in history. Nefertiti and her younger sister, Mutnodjmet, have been raised in a powerful family that has provided wives to the rulers of Egypt for centuries. Ambitious, charismatic, and beautiful, Nefertiti is destined to marry Amunhotep, an unstable young pharaoh. It is hoped that her strong personality will temper the young ruler's heretical desire to forsake Egypt's ancient gods. From the moment of her arrival in Thebes, Nefertiti is beloved by the people but fails to see that powerful priests are plotting against her husband's rule. The only person brave enough to warn the queen is her younger sister, Mutnodjmet. Observant and contemplative, Mutnodjmet has never shared her sister's desire for power. She yearns for a quiet existence away from family duty and the intrigues of court. But remaining loyal to Nefertiti will force Mutnodjmet into a dangerous political game; one that could cost her everything she holds dear. Teeming with love, betrayal, political unrest, plague, and religious conflict, Nefertiti brings ancient Egypt to life in vivid detail. "Meticulously researched and richly detailed . . . an engrossing tribute to one of the most powerful and alluring women in history."

— Boston Globe

Raised far from the Egyptian court with her sister, Mutnodjmet, the beautiful and ambitious Nefertiti becomes the wife of the radical new pharaoh, Amunhotep, encouraging his plans to overturn Egypt's state religion and making powerful enemies in the process, while her sister, recognizing her sister's dangerous position, does what she can to protect her family. A first novel. Reprint. 40,000 first printing.

From the internationally bestselling author of Nefertiti and Cleopatra's Daughter comes the breathtaking story of Queen Lakshmi—India's Joan of Arc—who against all odds defied the mighty British invasion to defend her beloved kingdom. When the British Empire sets its sights on India in the mid-nineteenth century, it expects a quick and easy conquest. India is fractured and divided into kingdoms, each independent and wary of one another, seemingly no match for the might of the English. But when they arrive in the Kingdom of Jhansi, the British army is met with a surprising challenge. Instead of surrendering, Queen Lakshmi raises two armies—one male and one female—and rides into battle, determined to protect her country and her people. Although her soldiers may not appear at first

to be formidable against superior British weaponry and training, Lakshmi refuses to back down from the empire determined to take away the land she loves. Told from the unexpected perspective of Sita—Queen Lakshmi's most favored companion and most trusted soldier in the all-female army—Rebel Queen shines a light on a time and place rarely explored in historical fiction. In the tradition of her bestselling novel, *Nefertiti*, and through her strong, independent heroines fighting to make their way in a male dominated world, Michelle Moran brings nineteenth-century India to rich, vibrant life.

Three beloved novels by national bestselling author Michelle Moran are now available for the first time in one complete digital collection. Delve into these stories for an engrossing trip back in time, full of powerful family dynasties, court intrigue, and brave heroines. The novels, which bring to vivid life some of the most fascinating characters of Ancient Egypt and Ancient Rome, each include a reading group guide. An exciting excerpt from Moran's newest novel *Madame Tussaud* is also included. *Nefertiti* The dramatic and historically accurate story of two unforgettable women—Nefertiti and her younger sister—living through a remarkable period of political unrest. *The Heretic Queen* In Ancient Egypt, Nefertiti's niece, Princess Nefertari, must overcome her family's past and remake history. *Cleopatra's Daughter* The incredible untold story of the orphaned children of Cleopatra, Egypt's most powerful and notorious ruler, who are raised in the Ancient Roman court of their parents' greatest rival. A sneak peek at *Madame Tussaud* Michelle Moran departs from the ancient world and enters the gilded but troubled court of Marie Antoinette with the intriguing story of Marie Tussaud, a woman who survived the French Revolution only by creating death masks of the beheaded aristocracy.

From the internationally bestselling author of *Nefertiti* comes the tumultuous story of Antony and Cleopatra's daughter, Selene. The marriage of Marc Antony and Cleopatra is one of the greatest love stories of all time, a tale of unbridled passion with earth-shaking political consequences. When the lovers choose to die by their own hands, their three orphaned children are taken in chains to Rome; only two—the ten-year-old twins Selene and Alexander—survive the journey. Delivered to the household of Octavian's sister, the siblings cling to each other and to the hope that they will return one day to their rightful place on the throne of Egypt. Recounted in Selene's youthful and engaging voice, Moran introduces a compelling cast of historical characters: Octavia, the emperor Octavian's kind and compassionate sister, abandoned by Marc Antony for Cleopatra; Livia, Octavian's bitter and jealous wife; Marcellus, Octavian's handsome, flirtatious nephew and heir apparent; Tiberius, Livia's sardonic son and Marcellus's great rival for power; and Juba, Octavian's watchful aide, whose honored position at court has far-reaching effects on the lives of the young Egyptian royals. Selene's narrative is animated by the concerns of a young girl in any time and place—the possibility of finding love, the pull of friendship and family, and the pursuit of her unique interests and talents. And as Selene and Alexander come of age, they are buffeted by the personal ambitions of Octavian's family and court, by the ever-present threat of slave rebellion, and by the longings and desires deep within their own hearts. Based on meticulous research, *Cleopatra's Daughter* is a fascinating portrait of imperial Rome and of the people and events of this glorious and most volatile period in human history. Emerging from the shadows of the past, Selene, a young woman of irresistible charm and preternatural intelligence, will capture your heart.

Emperor Napoleon Bonaparte will stop at nothing to marry the Hapsburg princess he hopes will bear him a royal heir, in this compelling novel from bestselling author Michelle Moran. After the bloody French Revolution, Emperor Napoleon's power is absolute. When eighteen year old Marie-Louise is told that the Emperor has demanded her hand in marriage, her father presents her with a terrible choice: marry the cruel, capricious Napoleon or refuse and plunge her country into war. To save her father's throne, Marie-Louise is determined to be a good wife. But at the extravagant French court, she finds many rivals for her new husband's affection, including Napoleon's sister Pauline, who is fiercely

jealous, utterly uncontrollable, and the only woman as ambitious as the emperor himself. When war once again sweeps the Continent and bloodshed threatens Marie-Louise 's family, the second empress is forced to make choices that will determine her place in history—and change the course of her life. The Second Empress will transport you back to Napoleon's empire where royals and servants alike live at the whim of one man, and two women vie to change their destinies.

When Nefertari's entire family is killed in a fire, she's left to grow up alone, a spare princess in the palace of the new Pharaoh. Her young life is overshadowed by the past - the name of her infamous aunt, Nefertiti, the Heretic Queen, still strikes terror into the hearts of Egyptians. So, when she finds herself falling in love with the young Pharaoh, Ramesses, she knows it's not going to be easy to win his heart. But when the Pharaoh's aunt takes Nefertari under her wing and begins to educate her in the ways to gain a man's attention - and hold it - marriage to him seems within her reach. Yet, even as Ramesses declares his love for her, she knows there's more work to be done. If she's to be queen, all of Egypt must recognise her worth and overcome her connection to the dark, heretical days of the past. Ramesses will face challenges from all sides: war, drought, conquest and the determination of a man named Ahmoses will all threaten his reign. Could Egypt's rulers, and more importantly her people, ever allow him to marry the woman he loves, let alone make her his Queen?

The world knows Madame Tussaud as a wax artist extraordinaire . . . but who was this woman who became one of the most famous sculptresses of all time? In these pages, her tumultuous and amazing story comes to life as only Michelle Moran can tell it. The year is 1788, and a revolution is about to begin. Smart and ambitious, Marie Tussaud has learned the secrets of wax sculpting by working alongside her uncle in their celebrated wax museum, the Salon de Cire. From her popular model of the American ambassador, Thomas Jefferson, to her tableau of the royal family at dinner, Marie 's museum provides Parisians with the very latest news on fashion, gossip, and even politics. Her customers hail from every walk of life, yet her greatest dream is to attract the attention of Marie Antoinette and Louis XVI; their stamp of approval on her work could catapult her and her museum to the fame and riches she desires. After months of anticipation, Marie learns that the royal family is willing to come and see their likenesses. When they finally arrive, the king 's sister is so impressed that she requests Marie 's presence at Versailles as a royal tutor in wax sculpting. It is a request Marie knows she cannot refuse—even if it means time away from her beloved Salon and her increasingly dear friend, Henri Charles. As Marie gets to know her pupil, Princesse Élisabeth, she also becomes acquainted with the king and queen, who introduce her to the glamorous life at court. From lavish parties with more delicacies than she 's ever seen to rooms filled with candles lit only once before being discarded, Marie steps into a world entirely different from her home on the Boulevard du Temple, where people are selling their teeth in order to put food on the table. Meanwhile, many resent the vast separation between rich and poor. In salons and cafés across Paris, people like Camille Desmoulins, Jean-Paul Marat, and Maximilien Robespierre are lashing out against the monarchy. Soon, there 's whispered talk of revolution. . . . Will Marie be able to hold on to both the love of her life and her friendship with the royal family as France approaches civil war? And more important, will she be able to fulfill the demands of powerful revolutionaries who ask that she make the death masks of beheaded aristocrats, some of whom she knows? Spanning five years, from the budding revolution to the Reign of Terror, Madame Tussaud brings us into the world of an incredible heroine whose talent for wax modeling saved her life and preserved the faces of a vanished kingdom.

Reared by her Pharaoh father to assume his throne upon his death, Hatshepsut - a real historical figure - has to contend with her weak half-brother before she can realize her dream.
