publishing, your business, and your writing life, as well as an HTML primer so you can build your own website—even if you're not tech savvy. The Indie Author Guide gives you the skills and confidence you need to take full advantage of today's unique publishing opportunities and grow your readership yourself.

****UPDATED SECOND EDITION**** This book is for every author who's thinking about indie publishing, or has already taken the leap, and wonders why no one told them about the sharks, the life-sucking social media quicksand, or the best way to avoid sales-checking, yellow-spotted fever. This is a guide for the heart as much as the head. And because I promised myself that I wouldn't write a book about how I made a gazillion dollars publishing ebooks, I would write about the fear: owning it, overcoming it, facing it. From a person who didn't pursue a creative life for a long time, and then discovered creativity can set you free. Note: gazillion is a technical term, which in this case means something less than a million and more than the average income in my state. The Guide is intended to take a first-time-publishing author from those first tentative steps, through the leap, and into the great adventure of indie publishing. Already-published authors who want to jump-start lagging sales or launch a new series will also benefit from nuts-and-bolts marketing advice as well as inspiration for the long-haul of their publishing journey. Susan Kaye Quinn is the author of the Singularity Series, the Mindjack Trilogy and the Debt Collector serial (as well as other speculative fiction works) and has been indie publishing since 2011. She's not an indie rockstar or a breakout success: she's one of thousands of solidly midlist indie authors making a living with their works. This book is based on her experience in self-publishing fiction—the

Get Free The Indie Author S Guide To Fiverr Resources How To Write Publish And Promote Your Book For Only 5 Kindle Self

First Edition was published in 2013, the Second Edition in 2015, updated to account for changes in the industry. It's a guide to help her fellow writer-friends take their own leaps into the wild (and wonderful) world of indie publishing... and not only survive, but thrive. Coming Soon: For Love or Money: Crafting An Indie Author Career The Indie Author Survival Guide is designed to take a first-time-publishing author through the publication of their first indie book. For Love or Money looks at parlaying that first book into a career. TESTIMONIALS FOR THE GUIDE "I recently became an indie author. I was lucky enough to find this book at just the right time, and it became my bible. It's still the most useful how-to book on my writing shelf!" - Garrett Davis, author of Port Starbird "Indie publishing can be a jungle. Susan provides you with a map, a compass, and best of all, a machete to get through the tangles. Not only educational, it's inspirational and my go-to book whenever I feel lost." - Annetta Ribken, author of Still Not Nice or the Strange Planet Inside My Head "I regularly recommend this book to people who want to break into indie. Great advice, great community." - Kim Wells, author of Mariposa "I recommend The Indie Author Survival Guide to anyone who wants to enter self-publishing with a solid foundation. I discovered it a few years after I began my series and still learned a lot from it." - Patricia Gilliam, author of The Hannaria Series

It's the age of the indie author . . . If you've got passion, a plan, and persistence, you don't need an agent. The Indie Author Revolution: An Insider's Guide to Self-Publishing is your friendly guide to the new era of self-publishing. Everything you need to create a quality book is within your reach, including editors, designers, printers, mentoring presses, e-books, and

social media. Written from the perspective of an editor who has mentored hundreds of indie authors, *The Indie Author Revolution* will teach you:

- All the key areas of self-publishing success—from vetting your manuscript ideas to crafting your publishing plan for both print and electronic books.
- Advice, tips, and tools from real-life indie authors and book publishing professionals to help you avoid missteps in writing, publishing, and marketing.
- The pros and cons of doing

Encouraging people to publish and share reviews of your book is a key book-marketing task, and one on which other aspects of marketing rest. Reviews provide the social proof that is the bedrock of attention from booksellers, bloggers, media, libraries and other influencers. There are many ways to get your book reviewed and it can be challenging to know what 's ethical and advisable, and what 's worth your time and money. This Quick and Easy Guide from the AskALLi team at the Alliance of Independent Authors offers guidance to current best practices and ethics and a myriad of ways for you to get more book reviews, fast.

Indie author? Banging your head on your desk? You need *The Indie Author's Guide to: Building a Great Book*. Not just for e-books. This guide contains helpful tips and tricks to make your book look like it came from a major publisher. Guided sections walk you through how to format your book for all platforms, how to create a dynamite cover, how to brand yourself as an author, and how to build a perfect book for printing. the big houses a real run for their money!

You've self-published a book and you'd like to see it in your local library or bookstore or the review pages of your favourite newspaper. You'd like to speak or read at a literary festival or event. You'd like to enter it for a book award or prize. This Alliance of Independent Authors (ALLi) guide will tell you how to recognise opportunities, work with publishing partners and open doors, and keep them open, for your own benefit -- and that of all indie authors. This guide is also aimed at those who work in the literary, publishing and books industries: award bodies, book fairs and conferences, libraries, literary festival and event organisers, retailers, reviewers and anyone who acts as a bridge between writer and reader. It gives detailed advice on how to find good self-published books and how they might -- and should -- be included, wherever readers are found. Packed with useful information, and real-life examples from members of The Alliance of Independent Authors, this guidebook is part of a wider campaign that includes a petition, and lobbying within the publishing industry, encouraging it to open up to the self-publishing phenomenon. You can sign the petition at [Change.org](https://change.org/petitions/open-up-to-indie-authors). change.org/petitions/open-up-to-indie-authors More information at: allianceindependentauthors.org

Self-publishing has truly come into its own. Indie titles have captured up to 25% of the U.S. market, and the phenomenon has expanded globally, with success stories now found in Europe and as far away as India. But as the business has grown so too have the potential landmines, and authors who are best equipped to avoid the traps are those who are best

informed. The Global Indie Author 3rd Edition is the definitive guide to this growth industry, exposing its secrets, separating fact from fiction, and providing clear advice for implementing a successful self-publishing project. This edition has been completely updated to reflect developments in ebook technology and includes illustrated step-by-step instructions for building ePubs and Kindle books from your manuscript. Readers will also find tips for designing a print book in a word processor, and how to deal with quality issues with print on demand. The Global Indie Author covers all aspects of self-publishing including: * Book Structure * Manuscript Editing * Copyright and Registration * Copyright and Trademark Infringement * Libel, Obscenity, Hate Literature, Civil Liability * The ISBN System * Software * Manuscript Formatting for eBooks * HTML Editing * Cover and Interior Images * Building and Testing Kindle Books and ePubs * Print Production * Marketing * Distribution and Royalties * Payments and Withholding Tax * The Vanity Press Machine Praise for The Global Indie Author: "I have read many books about self-publishing and have to say how impressed I am with the incredible detail and research that went into putting this book together. Demers goes through virtually everything an author who wants to understand this world would need to know in order to make informed decisions. This tops my recommended list for anybody considering learning more about self-publishing in either print or ebook or both." - Mark Lefebvre, Director, Self-Publishing and Author Relations, Kobo Writing Life "If you are self-publishing, buy The Global Indie Author and read it cover to cover. It is quite possibly the best resource book available for independent authors. It combines overall strategies with step-by-step instructions and expertly guides authors through the complex maze of self-publishing both print and e-books." - Mark Hanen, Words: I Know What I Want To Say - I Just

Don't Know How To Say It "The Global Indie Author is an excellent book for anyone who wants a comprehensive guide through the indie publishing journey, whether you are living in the U.S. or living in Denmark. What I loved best is that I know each chapter was extensively researched. I put a lot of work into finding answers on the Internet. This book saves you all that trouble. Buy this book and spend your precious time writing!" - Kate Tremills, Messenger and Queen Isabel

Do you want to sell more books and earn a good living from your fiction? Discover how to change your way of thinking and revolutionise your writing career. Are you struggling to take your author career on to the next stage? Do you wish you could sell huge numbers of books and make a good income for you and your family? Before he learned to change his mindset, Adam Croft's fiction books earned him around \$30 a day. But, after developing the indie author mindset, he was earning \$3,500 a day within a matter of weeks. The Indie Author Mindset shows you how simply changing your way of thinking about your writing business can revolutionise your career. Using Adam's personal experiences and examples, you'll be able to think differently about the business side of your writing career and lay down the foundations for long-term success. In The Indie Author Mindset, you'll discover: How to decide who to listen to — and who not to listen to How to unlock the power of residuals How to create more than half a dozen income streams from one book Lessons and advice from Bryan Cohen, David Gaughran, Brian Meeks and Mark Dawson Why almost every writer misunderstands profit and is doing advertising wrong And much, much more! This life-changing book is the motivational kick-up-the-backside all authors need. If you like a non-
