This is an interesting book. Doctor Ala Bashir was as much an insider as it possible to be without being treated as a criminal by Bush's invasion forces. He served as a personal physician to Saddam Hussein for about twenty years. He is also an artist whose work Hussein favored. This book is not a biography, and it is not a history in any proper sense.

The Insider: Trapped In Saddam's Brutal Regime: Amazon.co ...

From the details so far revealed, The Insider: Trapped in Saddam ' s Brutal Regime promises to be a commanding reminder of the reasons why Saddam Hussein had to be removed from power and why Iraqis never had a chance at a peaceful or secure existence until that day. Dr. Bashir describes the ways he had to cater to the narcissistic whims of the Hussein family (Saddam apparently was more worried about corns on his feet than the Americans bombing Baghdad, while the women of the family were too ...
