Guided Practice for Reading Growth provides all you need to support middle grade students reading two or more years below grade level. Twenty-four powerful reading lessons feature original poems and short texts that interest students and encourage them to think deeply. This unique book shows you how to:

- Build students' background knowledge by watching and discussing videos.
- Use poems to improve reading and fluency through practice and performance.
- Invite students to write about their reading and increase comprehension and recall.
- Encourage meaningful talk to enlarge students' analytical thinking and understanding.

In spite of No Child Left Behind and the support provided by Response To Intervention, significant numbers of students continue to struggle with literacy. This text addresses learning-related needs of individual students in addition to interventions for the challenges they face. Struggling readers represent many different ethnicities, socio-economic levels, languages, and dialects in any combination and possess an even wider variety of social, cultural, motivational, literacy, and real world experiences. Through the presentation of case studies, this book considers these factors and their influence on literacy development and
