Riveting and fast paced, In the Land of Blue Burqas depicts sharing the love and truth of Christ with women living in Afghanistan, which has been called "the world's most dangerous country in which to be born a woman." These stories are honest and true. The harsh reality of their lives is not sugar-coated, and that adds to the impact of this book.

The Cherokee Indians, the original inhabitants of the area, called these dark, fog-streaked hills “ Shaconage ” —the “ place of blue smoke. ” Scientists say the Great Smoky Mountains owe that color to a natural process. Plants exhale volatile organic compounds—gases that react with other substances in the air, creating aerosols. These aerosols can cause short wavelengths of light at the blue-violet end of the spectrum to scatter, creating a bluish haze.
