offer the following definition of this concept: political discourse is a collection of all speech acts, as well as public law, tradition and experience, which is determined and expressed in the form of verbal formations, content, subject and the addressee of which belongs to the sphere of politics.

~~Linguistic Features of Political Discourse~~

Politicians, in talking about potential face-threatening acts or politically risky topics, avoid the obvious and communicate indirectly in order to protect and further their own careers and to gain both political and interactional advantage over their political opponents. The indirectness may also be motivated by politeness.
