An illustrated, illuminating insight into the world of illusion from the world's greatest and most successful magician, capturing its audacious and inventive practitioners, and showcasing the art form's most famous artifacts housed at David Copperfield's secret museum. In this personal journey through a unique and remarkable performing art, David Copperfield profiles twenty-eight of the world's most groundbreaking magicians. From the 16th-century magistrate who wrote the first book on conjuring to the roaring twenties and the man who fooled Houdini, to the woman who levitated, vanished, and caught bullets in her teeth, David Copperfield's History of Magic takes you on a wild journey through the remarkable feats of the greatest magicians in history. These magicians were all outsiders in their own way, many of them determined to use magic to escape the strictures of class and convention. But they all transformed popular culture, adapted to social change, discovered the inner workings of the human mind, embraced the latest technological and scientific discoveries, and took the art of magic to unprecedented heights. The incredible stories are complimented by over 100 never-before-seen photographs of artifacts from Copperfield's exclusive Museum of Magic, including a 16th-century manual on sleight of hand, Houdini's straightjackets, handcuffs, and water torture chamber, Dante's famous sawing-in-half apparatus, Alexander's high-tech turban that allowed him to read people's minds, and even some coins that may have magically passed through the hands of Abraham Lincoln. By the end of the book, you'll be sure to share Copperfield's passion for the power of magic.

Kissimmee, Florida traces its name to the Jororo tribe, among the first to settle along the river valley. Riverboat captains, entrepreneurs, and speculators found Kissimmee and nearby Lake Tohopekaliga irresistible, and soon settlers followed. The 1880s marked this city's first brush with tourism, as the Tropical Hotel became the largest resort hotel south of Jacksonville. As the cattle town struggled to survive floods, the Depression, and downtown neglect in favor of spillover Walt Disney World business, committed citizens fought back and spiritedly rekindled the town into a favored tourist spot.

In the first cookbook by a Black pitmaster, James Beard Award-winning chef Rodney Scott celebrates an incredible culinary legacy through his life story, family traditions, and unmatched dedication to his craft. "BBQ is such an important part of African American history, and no one is better at BBQ than Rodney."--Marcus Samuelsson, chef and restaurateur Rodney Scott was born with barbecue in his blood. He cooked his first whole hog, a specialty of South Carolina barbecue, when he was just eleven years old. At the time, he was cooking at Scott's Bar-B-Q, his family's barbecue spot in Hemingway, South Carolina. Now, four decades later, he owns one of the country's most awarded and talked-about barbecue joints, Rodney Scott's Whole Hog BBQ in Charleston. In this cookbook, co-written by award-winning writer Lolli Eric Elie, Rodney spills what makes his pit-smoked turkey, barbecued spare ribs, smoked chicken wings, hush puppies, Ella's Banana Puddin', and award-winning whole hog so special. Moreover, his recipes make it possible to achieve these special flavors yourself, whether you're a barbecue pro or a novice. From the ins and outs of building your own pit to poignant essays on South Carolinian foodways and traditions, this stunningly photographed cookbook is the ultimate barbecue reference. It is also a powerful work of storytelling. In this modern American success story, Rodney details how he made his way from the small town where he worked for his father in the tobacco fields and in the smokehouse, to the sacrifices he made to grow his family's business, and the tough decisions he made to venture out on his own in Charleston. Rodney Scott's World of BBQ is an uplifting story that speaks to how hope, hard work, and a whole lot of optimism built a rich celebration of his heritage--and of unforgettable barbecue.
