With all the qualities that P. D. James' s readers have come to expect: a masterly psychological and emotional richness of characterization, a vivid evocation of place and a credible and exciting mystery. When the notorious investigative journalist, Rhoda Gradwyn, books into Mr. Chandler-Powell' s private clinic in Dorset for the removal of a disfiguring, long-standing facial scar, she has every prospect of a successful operation by a distinguished surgeon, a week' s peaceful convalescence in one of Dorset' s most beautiful manor houses and the beginning of a new life. She will never leave Cheverell Manor alive. When Adam Dalgliesh and his team are called in to investigate the murder – and a second death occurs – even more complicated problems than the question of innocence or guilt arise.

On the day she turned seventy-seven, internationally acclaimed mystery writer P. D. James embarked on an endeavor unlike any other in her distinguished career: she decided to write a personal memoir in the form of a diary. Over the course of a year she set down not only the events and impressions of her extraordinarily active life, but also the memories, joys, discoveries, and crises of a lifetime. This enchantingly original volume is the result. *Time to Be in Earnest* offers an intimate portrait of one of most accomplished women of our time. Here are vivid, revealing accounts of her school days in Cambridge in the 1920s and '30s, her happy marriage and the tragedy of her husband's mental illness, and the thrill of publishing her first novel, *Cover Her Face*, in 1962. As she recounts the decades of her exceptional life, James holds forth with wit and candor on such diverse subjects as the evolution of the detective novel, her deep love of the English countryside, her views of author tours and television adaptations, and her life-long obsession with Jane Austen. Wise and frank, engaging and graceful, this "fragment of autobiography" will delight and surprise P. D. James's admirers the world over.

Adam Dalgliesh takes on a baffling murder in the rarefied world of London book publishing in this masterful mystery from one of our finest novelists. Commander Adam Dalgliesh and his team are confronted with a puzzle of impenetrable complexity. A murder has taken place in the offices of the Peverell Press, a venerable London publishing house located in a dramatic mock-Venetian palace on the Thames. The victim is Gerard Etienne, the brilliant but ruthless new managing director, who had vowed to restore the firm's fortunes. Etienne was clearly a man with enemies—a discarded mistress, a rejected and humiliated author, and rebellious colleagues, one of who apparently killed herself a short time earlier. Yet Etienne's death, which occurred under bizarre circumstances, is for Dalgliesh only the beginning of the mystery, as he desperately pursues the search for a killer prepared to strike and strike again.

The Dupayne, a small private museum in London devoted to the interwar years 1919 - 1939, is in turmoil. As its trustees argue over whether it should be closed, one of them is brutally and mysteriously murdered. Yet even as Commander Dalgliesh and his team proceed with their investigation, a second corpse is discovered. Someone in the Dupayne is prepared to kill and kill again. Still more sinister, the murders appear to echo the notorious crimes of the past featured in one of the museum ' s galleries: the Murder Room. The case is fraught with danger and complications from the outset, but for Dalgliesh the complications are unexpectedly profound. His new relationship with Emma Lavenham -- introduced in the last Dalgliesh novel, *Death in Holy Orders* -- is at a critical stage. Now, as he moves closer and closer to a solution to the puzzle, he finds himself driven further and further from commitment to the woman he loves.

The untimely death of a young priest in training draws Commander Adam Dalgliesh back to East Anglia to investigate at the request of the young man's father, as Dalgliesh finds himself drawn into a complex and violent mystery. Reissue. 15,000 first printing.

When the official verdict is suicide, his wealthy father hires fledgling private investigator Cordelia Gray to find out what led him to self-destruction. What she discovers instead is a twisting trail of secrets and sins, and the strong scent of murder.
