Mr. Small is a high-flying pilot in this adventure! Pilot Small prepares for his flight, and then enjoys the bird's-eye view from above. As fresh today as when it was first published, this fun and informative look at flying is perfect for airplane trips.

The Little Airplane by Lois Lenski, Board Book | Barnes ...

I love that "little" airplane. The "F-150" is fun to fly, forgiving and at the same time, makes you work for a decent landing, especially in windy conditions. I was fortunate enough to fly them back in the '70s when general aviation manufacturers were cranking out the airframes.

The little airplane that could... and still does! | Air ...

The Little Airplane I've enjoyed the Mr. Small books in the past though this one was new-to-me. It was originally published in 1938 and I can just imagine how thrilled children of the day were since airplanes were still so new and exciting then. The illustrations are charming.

Pilot Small flies his airplane over the countryside, does a loopy-loop, makes an emergency landing, and finally returns safely to the hangar.

A wordless picture book in which a boy comes up with an inventive solution for getting his toy airplane down from the roof.

Fun and playful story by Margaret Wise Brown, best-selling author of the children's classics Goodnight Moon and Runaway Bunny. Dreaming child, what you shall see, Deep in sleep might someday be. Explore a magical bedtime world of favorite dreams—from the hidden treasures of Margaret Wise Brown, author of the children's classics Goodnight Moon and Runaway Bunny.

On a picnic at the beach, Elly finds a little toy airplane. It is sad and broken and needing a home, but not for long. Soon, the little plane is fixed up, painted, and named Red to match his shiny new paint. Red loves living with Elly and her family, and meeting the animals who live with them, but when Mother Hen's chick goes missing, what can he do to help his new family?

Take flight with this picture book that follows a plane's journey from liftoff to landing This colorful, clean, deceptively simple picture book will take you on an imaginative journey as it introduces young readers to the marvel of flying. Experience the various stages of a modern flight as the plane takes off, rises over delightfully small houses, soars through a starry night, and blends in with a flock of birds before landing.

Little pilots can learn all about exciting airplanes and famous aviators in this high-flying Little Golden Book!
