Putting Down Roots by John
Coverdale (author of Uncommon
Faith) is the exciting story of the
beginnings of Opus Dei in the U.S. It
tells how Fr. Joseph Muzquiz came to
America in 1949 to begin Opus Dei
with very little money and only a
rudimentary command of the
language. At the time, only a handful

Access Free The Lives Of Father Joseph Anchieta Of

of Americans had ever heard of Opus Dei. But by the time he passed away in 1983, Opus Dei had put down deep roots in this country. In *Putting Down Roots*, we learn many remarkable details about Fr. Joseph ' s life including: His first meeting with St. Josemaría Escrivá, the founder of Opus Dei. His tireless efforts, first as a layman, then as a priest, to spread Opus Dei in Spain during the 1940s. His remarkable faith beginning Opus Dei with Salvador Ferrer in the U.S. with no money, few contacts, and a very rudimentary command of English. The many heroic virtues he lived, earning him a reputation as an unusually holy priest. Today, many people in the United States and in other countries pray to Fr. Joseph, as he was called in this country, and hope that one day the Church will

declare him a saint. This book explains why. Putting Down Roots contains eight pages of photos.

Over the years, I have often reflected on what Jesus' life might have been like growing up as a young Jewish boy living in obscurity. Well, Fr. Doyle, has done an outstanding job in telling us in a unique fashion what those first 12 years might have been like, in his novel "When Jesus was Twelve". A must read! Danny Abramowicz EWTN Personality WOW!!! What a book. I just loved it. I was transported back in time. It was the ride of a lifetime in a mystical time machine. Suddenly, I became the proverbial fly on the wall. I saw and heard everything this remarkable child did in one very
