The Magician Trilogy is a series of three children's fantasy novels by the British author Jenny Nimmo, first published by Methuen 1986 to 1989. It is sometimes called the Snow Spider trilogy or series after the first book [1] [2] and The Snow Spider Trilogy is the title of its omnibus editions (1991 and later). [3]

~~The Magician Trilogy - Wikipedia~~

The Magicians Guild, book 1 in the Black Magician Triligy. Not a particularly fast paced start to the triligy but believe me, book 2 and 3 well make up for it! The main purpose of this book I think, is to set up the main charactors and the story of Sonea, the street girl with magical talent.

The entire #1 New York Times bestselling trilogy that inspired SYFY's The Magicians, now available in a gorgeous boxed set, including The Magicians, The Magician King, and The Magician's Land This beautiful boxed set makes a perfect gift for readers of the beloved fantasy series praised by George R. R. Martin, Junot Díaz, and Erin Morgenstern. The Magicians Quentin Coldwater is brilliant but miserable. A high school math genius, he's secretly fascinated with a series of children's fantasy novels set in a magical land called Fillory, and real life is disappointing by comparison. When Quentin is unexpectedly admitted to an elite, secret college of magic, it looks like his wildest dreams may have come true. But his newfound powers lead him down a rabbit hole of hedonism and disillusionment, and ultimately to the dark secret behind the story of Fillory. The land of his childhood fantasies turns out to be much darker and more dangerous than he ever could have imagined. . . . The Magicians is one of the most daring and inventive works of literary fantasy in years. No one who has escaped into the worlds of Narnia and Harry Potter should miss this breathtaking return to the landscape of the imagination. The Magician King Quentin Coldwater should be happy. He escaped a miserable Brooklyn childhood, matriculated at a secret college for magic, and graduated to discover that Fillory--a fictional utopia--was actually real. But even as a Fillorian king, Quentin finds little peace. His old restlessness returns, and he longs for the thrills a heroic quest can bring. Accompanied by his oldest friend, Julia, Quentin sets off--only to somehow wind up back in the real-world and not in Fillory, as they'd hoped. As the pair struggle to find their way back to their lost kingdom, Quentin is forced to rely on Julia's illicitly learned sorcery as they face a sinister threat in a world very far from the beloved fantasy novels of their youth. The Magician's Land Quentin Coldwater has lost everything. He has been cast out of Fillory, the secret magical world of his childhood dreams that he once ruled. With nothing left to lose he returns to where his story began, the Brakebills Preparatory College of Magic. But he can't hide from his past, and it's not long before it comes looking for him. Meanwhile, the magical barriers that keep Fillory safe are failing, and barbarians from the north have invaded. Eliot and Janet, the rulers of Fillory, embark on a final quest to save their beloved world, only to discover a situation far more complex--and far more dire--than anyone had envisioned. Along with Plum, a brilliant young magician with a dark secret of her own, Quentin sets out on a crooked path through a magical demimonde of gray magic and desperate characters. His new life takes him back to old haunts, like Antarctica and the Neiterlands, and old friends he thought were lost forever. The Magician's Land is an intricate and fantastical thriller, and an epic of love and redemption that brings the Magicians trilogy to a magnificent conclusion, confirming it as one of the great achievements in modern fantasy.

Return to Fillory in the riveting sequel to the New York Times bestseller and literary phenomenon, The Magicians, now an original series on SYFY, from the author of the #1 bestselling The Magician's Land. Quentin Coldwater should be happy. He escaped a miserable Brooklyn childhood, matriculated at a secret college for magic, and graduated to discover that Fillory—a fictional utopia—was actually real. But even as a Fillorian king, Quentin finds little peace. His old restlessness returns, and he longs for the thrills a heroic quest can bring. Accompanied by his oldest friend, Julia, Quentin sets off—only to somehow wind up back in the real world and not in Fillory, as they'd hoped. As the pair struggle to find their way back to their lost kingdom, Quentin is forced to rely on Julia's illicitly learned sorcery as they face a sinister threat in a world very far from the beloved fantasy novels of their youth.

Quentin Coldwater is brilliant but miserable. After he graduates from college, he and his friends make a stunning discovery: Fillory--the land of the fantasy novels they read as children--is real and much darker and more dangerous than they could have imagined.

Each year the magicians of Imardin gather together to purge the city streets of vagrants, urchins and miscreants. Masters of the disciplines of magic, they know that no one can oppose them. But their protective shield is not as impenetrable as they believe. Sonea, angry, frustrated and outraged by the treatment of her family and friends, hurls a stone at the shield, putting all her rage behind it. To the amazement of all who bear witness, the stone passes unhindered through the barrier and renders a magician unconscious. The guild's worst fear has been realised . . . There is an untrained magician loose on the streets. She must be found before her uncontrolled powers unleash forces that will destroy both her, and the city that is her home.

The New York Times best-selling The Magicians novels continue in graphic novel form as series creator Lev Grossman introduces the next generation of students at Brakebills College for Magical Pedagogy. THE NEW CLASS STARTS HERE! Long after Quentin and his friends have graduated from Brakebills College for Magical Pedagogy, Dean Fogg invites a historic new group of students to enroll— the first ever class of hedge magicians, rogue practitioners of unsanctioned magic. But the traditional magicians aren't too thrilled to have the rule-breaking outcasts in their hallowed halls, and tempers flare as the student bodies clash to prove their superiority – not realizing a new danger has emerged to threaten them all. The malevolence behind the threat at Brakebills will rock everyone to their cores – and even shock longtime fans of The Magicians! New York Times bestselling series creator Lev Grossman returns with an all-new story in the world of The Magicians with award-winning writer Lilah Sturges (The Magicians: Alice's Story) and rising star artist Pius Bak that features the first appearance of the next generation of heroes and villains. Collects The Magicians #1-5.

A secretive magician's death becomes the catalyst for his partner's journey of self-discovery in this “ enchanting ” book (San Francisco Chronicle) “ that is something of a magic trick in itself—a 1990s love story with the grace and charm of a nineteenth-century novel ” (Newsweek).

In the city of Imardin, where those who wield magic wield power, a young street-girl, adopted by the Magician's Guild, finds herself at the centre of a terrible plot that may destroy the entire world . . . Sonea has learned much at the magicians' guild and the other novices now treat her with a grudging respect. But she cannot forget what she witnessed in the High Lord's underground room - or his warning that the realm's ancient enemy is growing in power once more. As Sonea learns more, she begins to doubt her guildmaster's word. Could the truth really be as terrifying as Akkarin claims, or is he trying to trick her into assisting in some unspeakably dark scheme?

From the bestselling author of Matchmaking for Beginners comes a feel-good story about becoming who you were meant to be all along. Phronsie Linnelle was conceived at Woodstock in a serendipitous liaison between a free-spirited hippie and a farmer's son and was born with magical wonder flickering in her DNA and rationality knit into her bones. All her life she's been torn between the two. But now that she's been betrayed by both love and the mother she once idolized, her rational side is winning. So when her best friend from childhood proposes that they give up on romance and marry each other, Phronsie agrees. Who better to spend your life with than your best friend? Maybe the connection they already have is love. Maybe there's no falling to be done. But immediately after they announce their engagement, she encounters someone who makes a very charming and compelling argument for revisiting romance. While her even-keeled stepmother argues for the safety that comes with her new engagement and her mother relays messages from the universe to hold out for true love, Phronsie must look to her own heart to find the answers that have been there all along.

“ A remarkable writer. ” —Neil Gaiman, bestselling author of American Gods An Alex Award Winner There is a dark secret that is hiding at the heart of New York City and diminishing the city's magicians' power in this fantasy thriller by acclaimed author Kat Howard. In New York City, magic controls everything. But the power of magic is fading. No one knows what is happening, except for Sydney—a new, rare magician with incredible power that has been unmatched in decades, and she may be the only person who is able to stop the darkness that is weakening the magic. But Sydney doesn't want to help the system, she wants to destroy it. Sydney comes from the House of Shadows, which controls the magic with the help of sacrifices from magicians.

Offers Jack and Annie's first twenty-eight time-traveling adventures.
