Also cherry tomatoes are easily available year long, and are on the whole MUCH less disappointing than larger tomatoes out of season. Yes, this is best with fresh herbs and tomatoes picked from the vine, or procured from a farmers' market (preferably in Tuscany).But in the depth of winter if you need a cheery colorful pick-me-up dinner, I highly recommended this creamy chicken dish.

Introducing the lifesaving cookbook for every mother with kids at home—the book that solves the 20 most common cooking dilemmas. What's your predicament: breakfast on a harried school morning? The Mom 100's got it—Personalized Pizzas are not only fast but are nutritious, and hey, it doesn't get any better than pizza for breakfast. Kids making noise about the same old lunch? The Mom 100's got it—three different Turkey Wraps, plus a Wrap Blueprint delivers enough variety to last for years. Katie Workman, founding editor in chief of Cookstr.com and mother of two school-age kids, offers recipes, tips, techniques, attitude, and wisdom for staying happy in the kitchen while proudly keeping it homemade—because homemade not only tastes best, but is also better (and most economical) for you. The Mom 100 is 20 dilemmas every mom faces, with 5 solutions for each: including terrific recipes for the vegetable-averse, the salad-rejector, for the fish-o-phobe, or the overnight vegetarian convert. "Fork-in-the-Road" variations make it easy to adjust a recipe to appeal to different eaters (i.e., the kids who want bland and the adults who don't). "What the Kids Can Do" sidebars suggest ways for kids to help make each dish.

Katie Workman is a gifted cook, a best friend in the kitchen, and a brilliant problem solver. Her Mom 100 Cookbook was named one of the Five Best Weeknight Cookbooks of the past 25 years by Cooking Light and earned praise from chefs like Ina Garten ("I love the recipes!") and Bobby Flay ("Perfect . . . to help moms everywhere get delicious meals on the table.") Now Katie turns her attention to the biggest problem that every family cook faces: how to make everyone at the table happy without turning into a short-order cook. Expanding on one of the most popular features of the first cookbook, her ingenious "Fork in the Road" recipe solution, which makes it so easy to turn one dish into two or more, Katie shows you how Asian Spareribs can start mild and sweet for less adventurous eaters—and then, in no time, become a zesty second version for spice lovers. She shakes up the usual chicken for dinner with Chicken Tikka Masala-ish—and feeds vegetarians, too, by offering a fork where cauliflower is used in place of the chicken. Fettuccine with Shrimp and Asparagus is a blueprint for seven other easy mix-and-match pasta dinner combinations. Crostini for breakfast—truly an aha! idea—can go sweet or savory, pleasing both types of morning eaters. Have all the ingredients on hand? Make the insanely delicious Chocolate Carrot Cake. Missing chocolate? Don't run out to the store—the basic Carrot Cake is just as satisfying. Katie's voice is funny and wry, and completely reassuring. Stunning full-color photographs show every dish. The result: no more cranky eaters, no more dinner table strife, no more unsure or stressed-out cook.

Build-a-Bowl is a fun and healthy way to put good food on the table! Popular food blogger and teacher Nicki Sizemore's fuss-free method starts with a grain base, whether it's a popular favorite such as brown rice or an ancient grain like farro. Add a layer of fresh vegetables and herbs, follow that with a lean protein, and then finish it off with a flavorful sauce for a delectable super-powered meal. Sizemore's 77 creative combinations range from the Chicken Sausage Meatballs Bowl to the Crispy Fish Taco Bowl and the vegan-friendly Double Broccoli Power Bowl. Suitable for breakfast, lunch, or dinner, the beauty of the bowl is that every combination can be customized, making it a perfect solution for feeding everyone at the table with their favorites — happily and easily.
