The Organic Meat Cookbook (Ebury Paperback Cookery ...

In The Organic Meat Cookbook she has assembled a collection of more than 200 delicious recipes to make the best of the fine free-range and organic meats that are increasingly available. The recipes seem to come from just about every conceivable cuisine in the world, with a very interesting emphasis on Spain and Portugal (the latter very welcome, since few if any Portuguese recipes are in general circulation) and their former spheres of influence--Latin America, the Philippines, Basque ...

This is a list of prepared dishes characteristic of English cuisine. English cuisine encompasses the cooking styles, traditions and recipes associated with England. It has distinctive attributes of its own, but also shares much with wider British cuisine, partly through the importation of ingredients and ideas from North America, China, and India during the time of the British Empire and as a ...
