Since 1997, this translator's guide has been the worldwide leader in its field and has elicited high praise from some of the world's best translators. It has been fully updated in the 2006 edition.

The OPD Second Canadian Edition English/Spanish is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Spanish, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Spanish speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Spanish is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.

The Oxford Picture Dictionary is the ultimate pictorial reference for everyday vocabulary. There are twelve bilingual editions: Spanish, Chinese, Vietnamese, Russian, Korean, Japanese, Polish, Arabic, Brazilian Portuguese, Haitian Creole, Cambodian, and Thai. The second language is presented in blue underneath the English word. A complete second-language index is included.

4,000 words and phrases are organized thematically within 163 topics. Includes English to Urdu translations of vocabulary throughout, and an extensive index in Urdu at the back of the book. A fully integrated vocabulary development program in American English, progressing from essential words to the more complex, delivered in short thematic units.
