supplemental samples and checklists. It is our hope that you will equip parents with the skills and tools they need so they can be thoroughly engaged in the education of their children at home, school, and community. With your help, parent involvement will increase and support for family engagement will improve.

The Planning Guide to Parent Forums - Home | U.S ...

Contingency and crisis plans (may also be relevant to advance directives) should include how many children the parent has, their ages and gender, and the arrangements for their care to be put in place if the parent is not able to care for them at any time e.g. if a parent is admitted to hospital. Organisations need to:

Think child, think parent, think family: Planning care

Communicate Openly: Ask your child what they need and develop a mutual plan. Remind them of deadlines and make sure... Define Parameters: Spell out how you can help, whether it's financially or with specific aspects of the application... Keep in Touch With Counselors: Seek information from guidance ...
